Dear

Perhaps you have heard of me and my nationwide campaign in the cause of **Temperance**. Each year -- for the past **15** years ! -- I have made many tours of Southern California and Florida to deliver a series of lectures on the evils of drinking and *the sins of the flesh*.

On these tours I have been accompanied by my young friend and associate **Wendy Lindstorm**. Wendy is a woman of good family and excellent background. She is a pathetic case whose life was ruined by excessive indulgence in liquor, drugs, and illicit relationships with men (*not to mention women and heaven-only-knows-what-else!*).

Wendy would appear with me on lectures and sit on the platform, alternately staring at the audience through *b-l-e-a-r-y* eyes and drooling at-the-mouth whenever she would see a man's zipper not fully closed. I would point her out to the people as an **EXAMPLE** of what drinking and running-around would do, and sometimes **tears** would run down from her *bloodshot* eyes (*that imparted a sincere dramatic effect upon the audience*).

This past fall Wendy unfortunately ~~d-i-e-d~~. A mutual friend had given me **YOUR** name, and I wonder if you would care to take Wendy's place on my next tour (*all expenses paid of course!*).

I will be hoping to hear from you in the near future as I must be planning my next tour very soon. *Thank you in advance for your lifestyle and your willingness to help me.*

Yours in Faith,

**Rev**
