

The following short-story has **Adult XXX-rated** themes. These are entirely fictional and are not meant to condone any real life violence toward women etc. (*note: acting out fantasies in private consensual "role-playing" games doesn't apply here*). This added material is intended only for those Adults who are entertained by such fictional imaginations.

The actors and actresses in the rehearsed photos are over 18 years (see [here](#) for a list of sites from where they were extracted). The anime/hentai/cartoon/3D/CGI images depict sexual fantasies of many Adults and as strictly drawings of erotic art are harmless and (at one time) were not subject to any legal restrictions (see [here](#)). These images were created to be over 18 years old by their artists.

These short-stories do not have an "editor-in-chief". Many individuals contributed to different sections in a story. So it is possible that some questionable images "slipped through the cracks". If any image is judged to be illegal by a newer law, please contact kelli@hotlegsinlove.com and it will be removed.

All of these images were retrieved from "free" public (i.e., non-paysite) websites including Google. Some have a massive collection from fake-celebrity-sex to BDSM to incest to bestiality images [such as [8muses.com](#)]. The assumption was that if these somewhat-realistic images were illegal, the legal authorities would have had them removed a long time ago. But they are still there and so they are being used here and saving you a lot of web-surfing time.

If you are someone who might be offended by such fiction or the prevailing Laws of your locale do not permit viewing ***“Forced Sex”***-type material --

and especially if you are under 21 years of age --

THE PERILS OF PAT SAVAGE

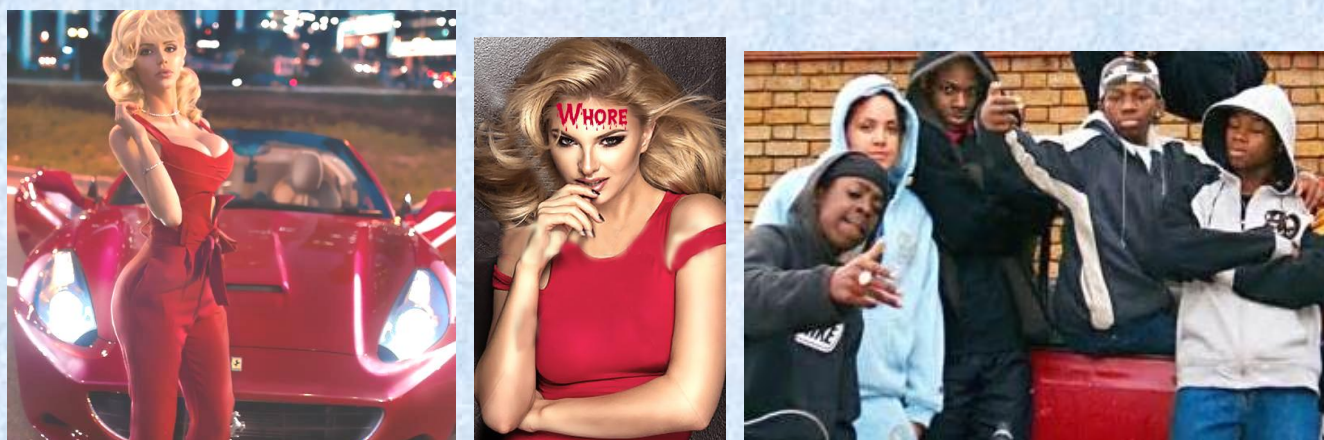

<http://www.hotlegsinline.com/PSXXX.htm>

Pat Savage was returning home from a day managing her exclusive high-priced beauty salon in the middle of the city. Clients included Hollywood actresses and Broadway showgirls.

It was summer and city government was repairing roads from the brutal Winter. Detours were everywhere. Pat silently cursed at each one and soon found herself driving her expensive (**whore-**)red car through a poor ghetto-type neighborhood. It was evening.

Suddenly she heard a loud <bang!> followed by her car swerving to the right. She got out on **5" high-heels** and discovered that she had a flat tire.

"That's all I need to end this day!" she thought to herself.

She looked around. The street wasn't entirely empty. Many **African-Americans** were staring hard at this **bronze**-haired beauty in the tight dress.

Normally, Pat was fearless. Too much so, in fact, for her own good. But this time, she was uneasy. She felt coldly vulnerable as if hard eyes were stripping her naked.

She nearly jumped out of her skin as a voice said:

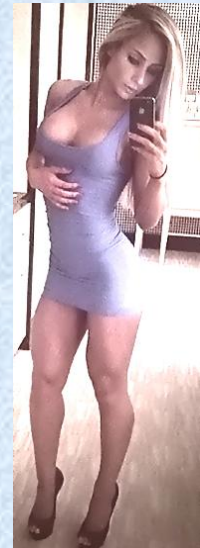

"Need some help, honey?"

It was a **black** woman speaking from what looked to be car repair shop of some kind.

Pat tried to keep her composure.

"As a matter of fact, I do," she said. "Do you know where I can my tire fixed?"

"Sure, baby," the woman said. "They can fix it here. I'll have some boys come out to take it off. You can wait in here. It's really not safe for you to be out here on the street at this time of the day."

Pat silently agreed. She did indeed feel very unsafe. But the broken-down repair shop wasn't exactly appealing. Still, it was probably the lesser of two evils. So her **high-heels** <tap><tap>ed their way inside.

The dim light showed 2 teenage boys and 2 older males. They were grinning at the sight of the beautiful high-class white woman. Pat noticed that they weren't making any effort to go outside to retrieve her flat tire.

"My tire needs fixed, if you please," she said airily.

"I bet what really needs 'fixed' is your **cunt**, **Bitch**," one of the men said.

Pat was shocked. She grew angry.

"I beg your pardon. What did you say?"

"I said that I think what you really need is a good **Gang-Banging**."

"Why you ..." she began.

Then she got hold of her senses and realized her situation. She tried to back out of the dirty place. But the black woman was blocking the door.

"Not so fast, **Whore**," she said. "You got a whole lotta **fuckin'** to do!"

"You leave me alone!" Pat yelled.

"**Fuck you!**" the woman spat.

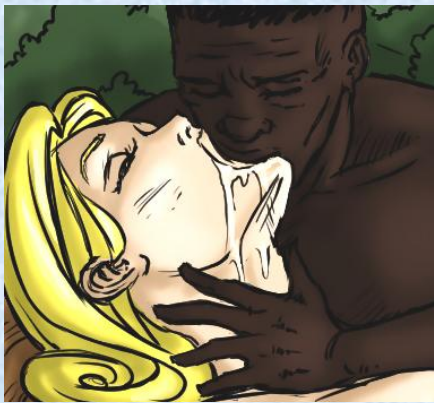

Immediately the males grabbed the **bronze**-haired wildcat and began groping her and ripping off her tight-fitting clothes.

"**Rape Her!**"

Hungry mouths soon found her **neon-pink lips** and 34-D breasts.

Pat noticed the 2 teenage boys were now naked. Both of them had stiff erect **penises** that were at least **12 inches**.

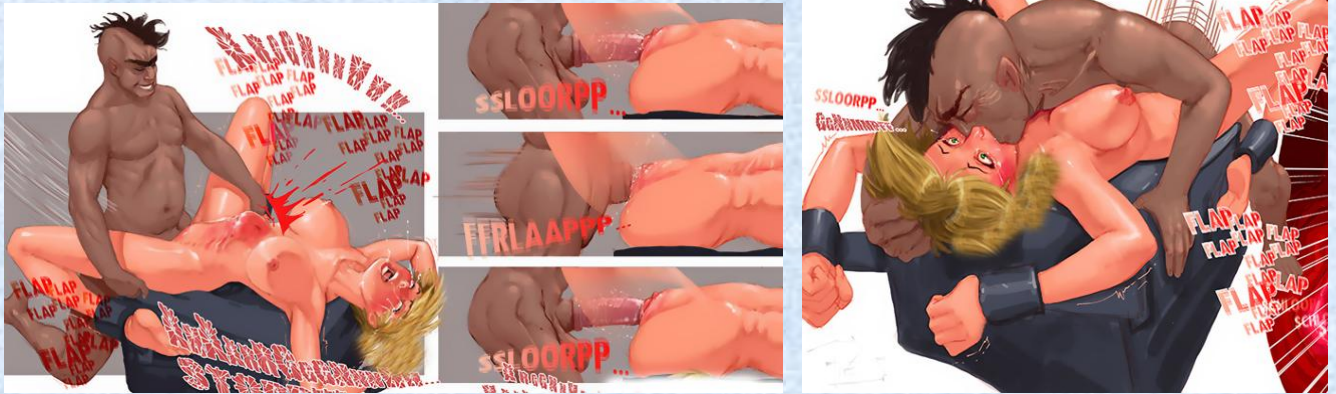

"Don't even think about it!" she warned them.

"Hell, **Bitch**," one of them laughed. "We do this just about every night."

And with that, they tore into the feisty white female ...

"Get her good, Maurice!" the **black** woman cheered.

"Ugh! I'm cummin'!!! groaned Maurice as he shot his baby-making *semen* into Pat's fertile womb.

As he rolled off Pat's beautiful body, the other teenager eagerly took his place. Pat was still gasping for breath when she felt his enlarged cock **ram** into her cunt.

"Ahhh, you fucking **whore!**" he said as he <slapped> her hard across the face. "I didn't want to cum that fast! Damn you!"

"Uuuggggghhhhhh!" he moaned as his **sperm** erupted into Pat's vagina.

Pat layed there on the dirty concrete floor with *semen* oozing out of her violated cunt and splashed all over her pretty face and breasts.

But if she thought her ordeal was over, she was sorely mistaken.

"I want her ASS!" one of the adult black men yelled. "Damn, do I want that ASS!"

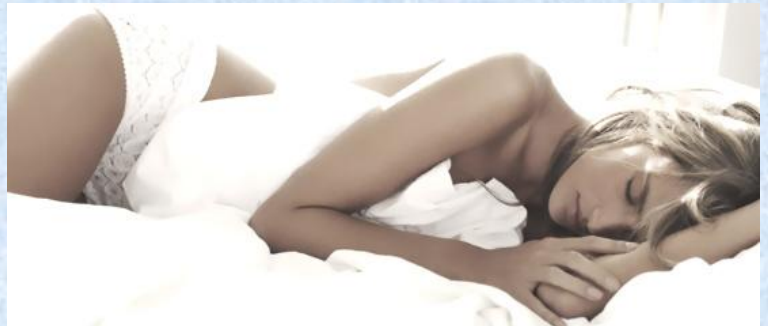

They turned her over on her taut flat tummy. Her firm white buttocks glistened in the air.

"Ahhhhh!" the man moaned in pleasure as his shiny **black** cock erupted its last sticky **drop**. "That felt so good!"

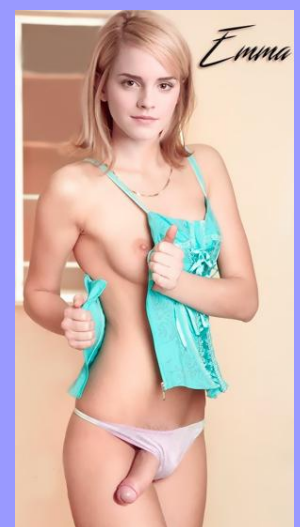

"Damn ... all of you ... to ... Hell!" Pat groaned.

Pat was hurting (of course). Unfortunately, it wasn't something that she never experienced before. She tried to compose her naked body.

In a Parallel Universe ...

"Baby, you ain't done yet," the **black** woman proclaimed. "One good thing about repair shops is that they got lots of machines."

She emphasized "lots of **machines.**"

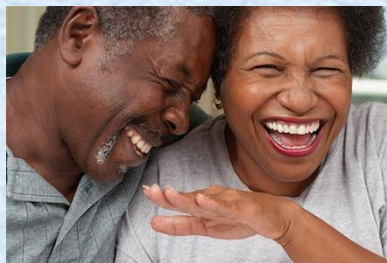

Pat didn't know what she meant until she saw the men carrying in some apparatus. Then she knew!

"Not that!" she said. "You can't be serious!"

"The hell we ain't," a man replied. "Now git them legs of yours spread for our '**WhoreMaker.**'"

Pat was initially defiant, of course. But her antagonists picked up some tools as if they were going to beat her with them. Rather than risk injury and possible disfigurement, the embarrassed **bronze**-haired woman lay down and spread her long legs to accommodate the mechanical fucking machine.

Pat *shuddered* and closed her eyes as she felt the cold **15"** inhuman device insert itself into her sore vaginal cavity. She started *moaning* as soon as its power was turned 'on' and it began an effortless In/Out pumping motion.

"C'mon, **Slut!**" the black woman coaxed. "Work it! Work it into that filthy white cunt of yours. Fuck it good!"

Pat was in increasing **agony** for the next hour as power was systematically increased and then decreased as the machine continued its relentless fucking.

Finally the **black** men and woman grew bored with their sport of humiliating another white woman.

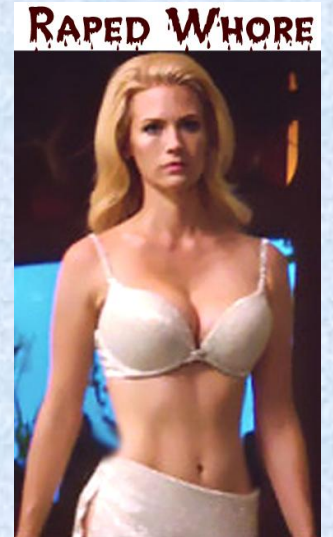

"Time for you to git your **pregnant** white ass out of here, **Bitch!**" the woman spat. "Hope you don't have a boyfriend 'cause I doubt that you'll wanna be doing any more fuckin' for a year!"

That caused them all to laugh. All except the beautiful **bronze**-haired white female that began cleaning herself up ...

It hurt to move. But she forced herself lest they change their minds ...
