

The following short-story has **Adult XXX-rated** themes. These are entirely fictional and are not meant to condone any real life violence toward women etc. (*note: acting out fantasies in private consensual "role-playing" games doesn't apply here*). This added material is intended only for those Adults who are entertained by such fictional imaginations.

The actors and actresses in the rehearsed photos are over 18 years (see [here](#) for a list of sites from where they were extracted). The anime/hentai/cartoon/3D/CGI images depict sexual fantasies of many Adults and as strictly drawings of erotic art are harmless and (at one time) were not subject to any legal restrictions (see [here](#)). These images were created to be over 18 years old by their artists.

These short-stories do not have an "editor-in-chief". Many individuals contributed to different sections in a story. So it is possible that some questionable images "slipped through the cracks". If any image is judged to be illegal by a newer law, please contact kelli@hotlegsinlove.com and it will be removed.

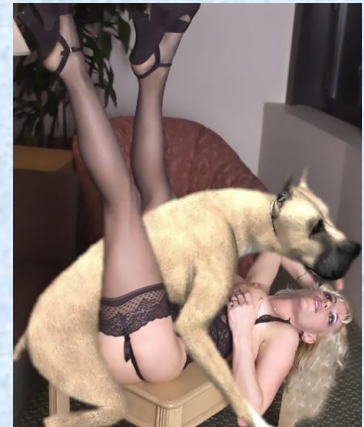

All of these images were retrieved from "free" public (i.e., non-paysite) websites including Google. Some have a massive collection from fake-celebrity-sex to BDSM to incest to bestiality images [such as 8muses.com]. The assumption was that if these somewhat-realistic images were illegal, the legal authorities would have had them removed a long time ago. But they are still there and so they are being used here and saving you a lot of web-surfing time.

If you are someone who might be offended by such fiction or the prevailing Laws of your locale do not permit viewing ***“Forced Sex”***-type material --

and especially if you are under 21 years of age --

THE PERILS OF PAT SAVAGE

W H O R E **R A P E**

<http://www.hotlegsinline.com/PSXXX.htm>

The complex block features a central collage of images. At the top, the title "THE PERILS OF PAT SAVAGE" is written in a dripping red font. Below the title are several images: a man with a mustache, three shirtless men standing together, a man on a couch, a man holding a phone, a woman on a couch, a comic book panel of a man with a large penis, a man with a large penis, a man sitting on a bench, a man sitting on a stool, and a man lying on a bed. The words "W H O R E" and "R A P E" are written vertically in red on the left and right sides of the collage, respectively. At the bottom of the collage is the URL "http://www.hotlegsinline.com/PSXXX.htm".

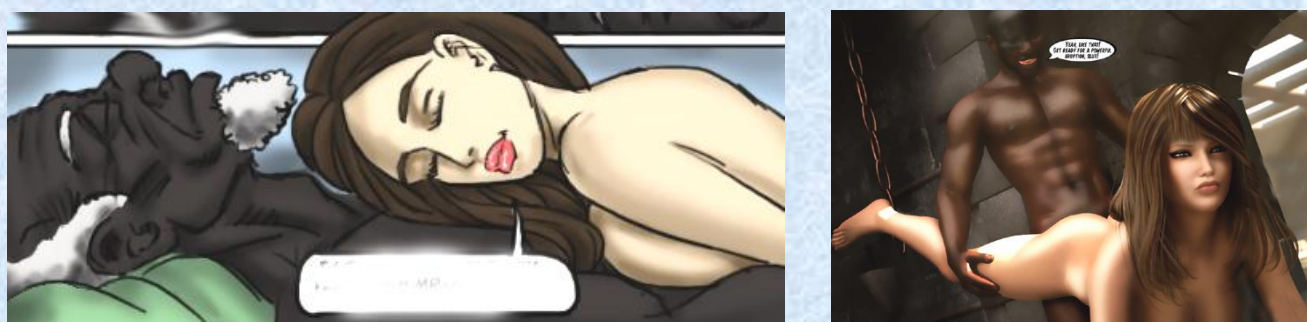

Sometimes when her popular beauty salon/spa was overbooked, Pat Savage would park her car a couple of blocks away in a parking garage. During daylight, the **bronze**-haired beauty did not mind walking on **5" high-heels** to it. But as the day darkened, she always became more cautious.

She was en route and passed by what appeared to be an abandoned warehouse. She thought she heard noises and even *screaming* from inside. She chanced to peek inside a dirty window to view a young naked brunette woman wallowing on a dirty floor.

Thinking that the woman was in dire straits, Pat hurriedly searched for an entrance. She found one in the back of the building. She opened the creaky door to see ...

Bridgette getting sodomized by African-American men!

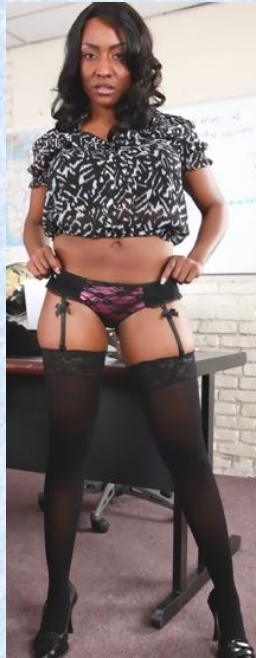

"Hey! Look what just came in!" a voice shouted. "I bet she wants some, too!"

The voice belonged to an older **black** woman. She had been watching/supervising the **GANG-SODOMIZATION** of the brunette named Bridgette.

Pat turned to run ...

... but too late. Two **black** men were blocking the door.

"Git over there and join that other white **Slut!**" the woman barked. "And get the hell out of those tight clothes of yours!"

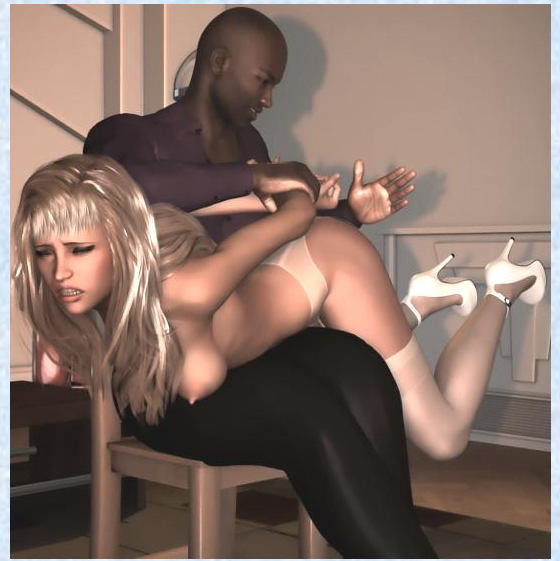

Momentarily stunned with the boldness of the woman, Pat quickly grew defiant.

"Go to hell!" she yelled. "And leave her alone before I call the police!"

"You goddamn **Bitch!**" the black woman said. "You need to be taught some respect to know who your true masters are in this world."

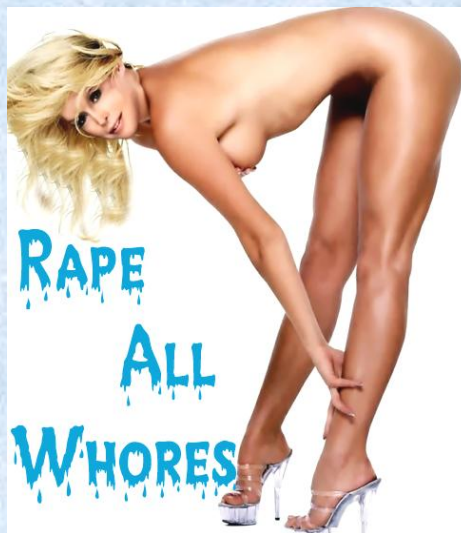

Pat cursed and struggled as she was stripped and led over to the center of the room where Bridgette was getting **ass-fucked**.

"Our stable is getting empty," the black woman continued. "You see, 3 more **whores** got away and we need to restock with some fresh white pussy. You two are gonna make a lot of money for us once we break you in."

"Don't even think about it!" warned Pat.

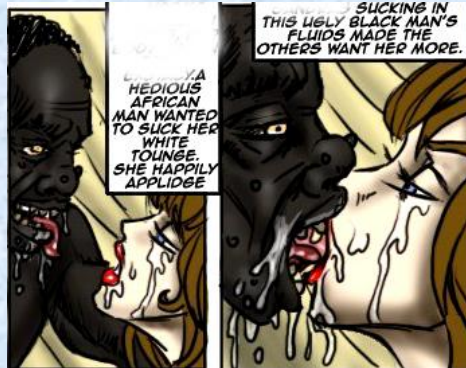

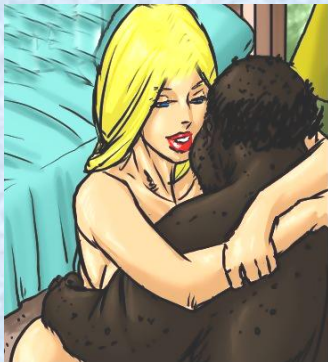

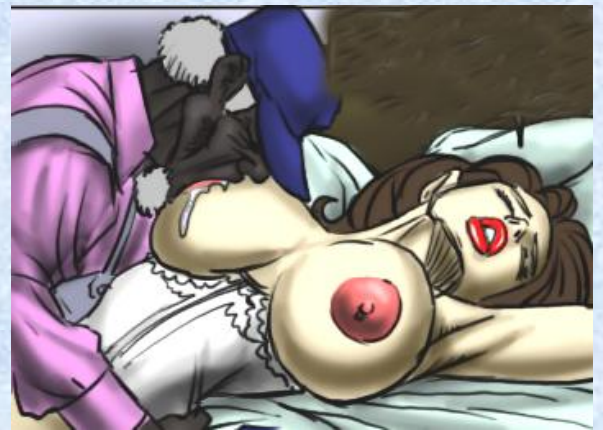

"Ah, I like 'em when they're feisty," a large black man said. "She also was feisty at first ..."

He pointed to the brunette woman who was brutally **SODOMIZED**.

Before Pat could utter another word, they swarmed in on the two women ...

"Now spread those white legs of yours, **Whore**, and get ready to have your brains **FUCKED OUT!**" the **black** woman said to Pat. "And you, **Slut**, get your **ass** up the air for another good **butt-banging**."

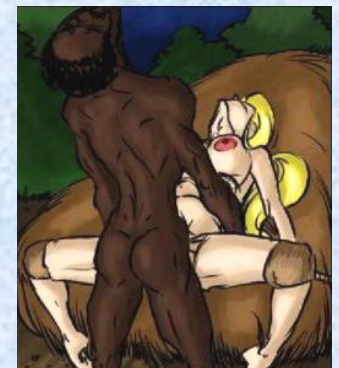

"Oh, is this ever gonna hurt!" the **black** woman laughed.

Pat and the other woman closed their eyes and anticipated the worst. They were not mistaken ...

"**Damn You!**" Pat shrieked as a **14"** **black cock** rammed into her dry cunt.

The other woman only *whimpered* as an equally long penis **thrust**ed up into her already-violated **rectum**.

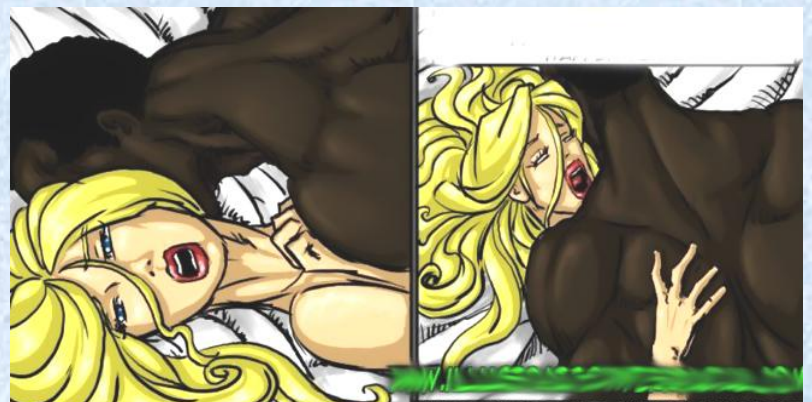

The **black** woman cheered them on. "Go, Willie! Bugger her, Lamond!"

Her rapists seemed to deliberately twist their organs as they *raped* Pat's tight vagina. Her squeals and protests did not go unnoticed by the overseeing woman.

"They're stretching you out, **Bitch**. You're gonna have to be BIG down there to take all the **FUCKING** we have planned for you for the next month."

"Shit! That's all we need is for you to **knock her up**. Nobody wants to fuck a fat white **whore**. How's she gonna make make money for us then?"

PAT SAVAGE IN WHORE-TRAINING 101

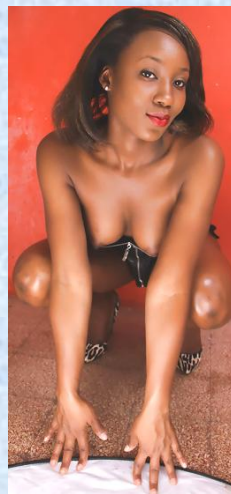

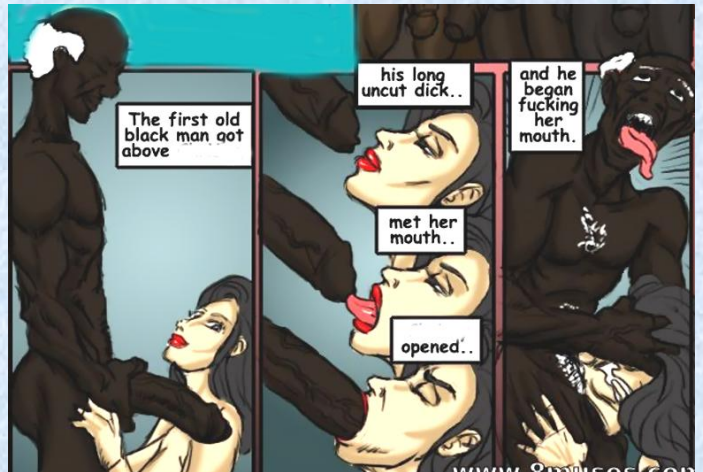

The two white women were squirming on the ground in pain. Stinky sticky **semen** was *oozing* out of Pat's violated **cunt** and Bridgette's sore **rectum**.

"Now you **bitches** have to clean up the **MESS** you left the brothers in," the **black** woman announced. "Put on some fresh **lipstick** and start **SUCKING!**"

A male **pimp** said: "You gotta get good at **suckin'** to make big money."

"Suck ... Suck ... {cough} ... Suck ... {slurp} ..."

"{slobber} ... {gag} ... Suck ... Suck ... {cough} ..."

"Damn!" laughed the black woman. "I never heard such **cock-sucking** noises."

The men's **penises** were painted red from the **lipstick** which the women were forced to keep reapplying. Sticky squirts of nasty **semen** also tended to wash off some **lipgloss**.

RAPED WHORE

In a Parallel Universe ...

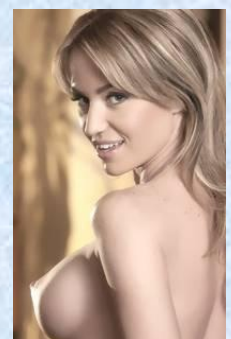

"We're not quite done with your **whore**-training," the **black** woman sneered. "Both of you are still far too feisty to suit us."

She turned to the now-exhausted men.

"Bring those **dogs** in here."

Drenched in smelly **semen**, the 2 white women were stunned at first ... and then horrified at the sight of **large dirty-looking canines**. All were male. And all had erect **penises**. Perhaps they had *smelled* the spent **semen**.

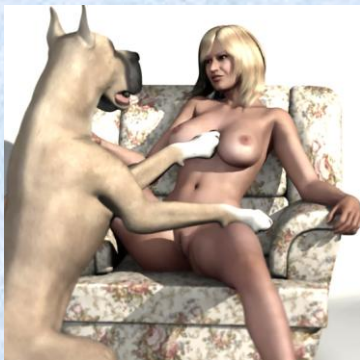

"Lay your asses down on the floor," the woman ordered. "Git those long legs spread out wide so the pups can *smell* your filthy pussies. It gets them in 'the mood'.

Pat and the brunette woman almost wished that they were dead! Knowing what was about to occur, the men hooped and hollered wildly.

"C'mon, goddammit!" the black woman snarled. "Get them legs spread right now! **Whores** do that automatically whenever they see a stiff cock."

The women were not *squealing*. **They were screaming!** The dogs' **penises** were unflexibly stiff. Plus they were secreting a *pre-cum* which lubricated the vaginas. If it wasn't that for that biological gift, the beasts would have probably torn apart the wombs of the yelling Pat and brunette woman.

"Get it out of me!" Pat pleaded as the panting dog dripped *slobber* all over her beautiful face. "It's killing me! It's too BIG!"

The **black** woman mercilessly replied: " It's bad right now, I know, But it'll feel better in 15 minutes when he **'knots'** in you. He doesn't pump much while he's emptying his doggy balls. You gonna be a good mother to your **puppies?**"

And as soon as one beast would finish, another one immediately took its place ...

Finally after **2 hours** of **dog-breeding**, the women lay limp on the floor, barely twitching. Their ravished slender bodies had a wild **PRIMAL** look.

Police **SIRENS** suddenly filled the air. The **black** men and woman were fairly certain that they were not the target. But they still didn't want to take any chances.

"We gotta scram," the woman said. "Damn it to hell! We were well on our way to getting these two whores broken in."

Then she thought something and an evil grin came to her face.

"Well, at least all our effort was not wasted. I'm sure you two are **knocked-up!**"

After being Hermione for years, it was clear that Emma was far better as a girl than she ever would be as a boy and began to have treatment accordingly, growing up into the hot young woman we see today, only a woman with a powerful something extra beneath her Gryffindor skirt! "I love my cock," she says, "And guys love it too. I'm completely happy with being a girl with a dick, girls with pussies are really missing out. On set I see them, fucking around with strapons, but it would be so much better for them to feel the pleasure of plunging the real thing into some hungry extra's mouth or tight asshole." So, does she like to screw around with the cast and crew while making films then? "Film sets are total fuck fests," Emma says in her precise, sexy English accent, "I never realized as a kid growing up on film, but as soon as I was an adult I had all my first sexual experiences with people on the film!"

"Does Hermione have a dick too?...You'd have to ask Jo Rowling..."

"She certainly enjoyed a taste of mine!"

"I love being the center of attention. Sure it's great when guys blow my she-cock, but sometimes I just like to be in the middle of a cast and crew gangbang!"
