

The following short-story has **Adult XXX-rated** themes. These are entirely fictional and are not meant to condone any real life violence toward women etc. (*note: acting out fantasies in private consensual "role-playing" games doesn't apply here*). This added material is intended only for those Adults who are entertained by such fictional imaginations.

The actors and actresses in the rehearsed photos are over 18 years (see [here](#) for a list of sites from where they were extracted). The anime/hentai/cartoon/3D/CGI images depict sexual fantasies of many Adults and as strictly drawings of erotic art are harmless and (at one time) were not subject to any legal restrictions (see [here](#)). These images were created to be over 18 years old by their artists.

These short-stories do not have an "editor-in-chief". Many individuals contributed to different sections in a story. So it is possible that some questionable images "slipped through the cracks". If any image is judged to be illegal by a newer law, please contact [kelli@hotlegsinlove.com](mailto:kelli@hotlegsinlove.com) and it will be removed.

All of these images were retrieved from "free" public (i.e., non-paysite) websites including Google. Some have a massive collection from fake-celebrity-sex to BDSM to incest to bestiality images [such as [8muses.com](http://8muses.com) ]. The assumption was that if these somewhat-realistic images were illegal, the legal authorities would have had them removed a long time ago. But they are still there and so they are being used here and saving you a lot of web-surfing time.

If you are someone who might be offended by such fiction or the prevailing Laws of your locale do not permit viewing ***“Forced Sex”***-type material --

and especially if you are under 21 years of age --

## THE PERILS OF PAT SAVAGE

<http://www.hotlegsinline.com/PSXXX.htm>

Patricia Savage had lost her father in a violent crime months ago. She had heard rumors that a long-lost grandfather may still be alive in a secluded retirement home. So she set out alone in hopes of finding him at this place.

She was both surprised and disappointed when she finally arrived. The facility seemed quite in disrepair. She wondered how it ever could get State certification to operate. But her hopes outweighed her trepidations and she proceeded inside.

She was greeted by an old nurse. Or at least Patricia assumed she was a nurse. The woman seemed to look at Patricia with both scorn and delight at the same time.

"Well hello, dear," she said. "How can I help you?"

"I'm searching for my grandfather," Patricia replied. "Do you have anyone hear with the last name of 'Savage'?"

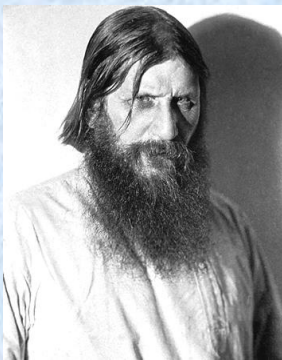

"Let me think ..." the nurse said. "Why don't you walk with me while I'm thinking? Maybe someone will recognize you."

Patricia didn't see anything wrong in that and walked with the woman down dimly-lit hallways. She heard some cat-calls along the way which she dismissed as just old men suffering from dementia.

*"Ohhh. Hello there, Babygirl!"*

*"Hey, honey. Can I get a little kissy?"*

*"You're a nice looking **whore**, Toots!"*

But when the calls became *"Would you like to lick my dick?"*, Patricia began to get worried and suspicious.

But by then, it was too late!

The nurse suddenly shoved her into a room. Its only occupant was a **naked old man**. He immediately started grinning.

*"Girly-girly ... Girly-girly ...,"* he spoke gibberishly.

Patricia started to back out. But the nurse blocked the door. She was holding a large syringe.

"You try to go anywhere, you little **bitch**, and I'll jab you with this. It'll knock you out for a whole week! Plus it will also hurt like hell when you wake up!"

"Oh, let me go! Please!" pleaded Patricia. "I didn't do anything to you!"

"That's the problem, Missy," the nurse replied. "You haven't done anything yet. These old bastards are getting harder-and-harder to control. Sedation doesn't work that well anymore. What they need is a good **FUCKING**. What they need is a pretty young **slut** like YOU!"

Patricia stood still as the nurse waved the menacing syringe around her.

"Now start stripping out of your clothes, you jezebel. Get 'em off right now, dammit! We don't have all day."

As Patricia was disrobing, so did the old nurse. Soon, both were naked.

*"You're gonna get Impregnated, Bitch!"*

The old man raised up from his bed and removed the sheets. He had been **naked** the whole time.

*"Kissy-kissy"*, he jabbered insanely as he started masturbating his old wrinkled **penis**.  
*"Kissy-kissy ..."*

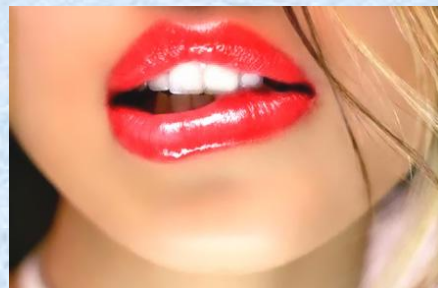

He started *slobbering* and groping all over the terrified teenage girl.

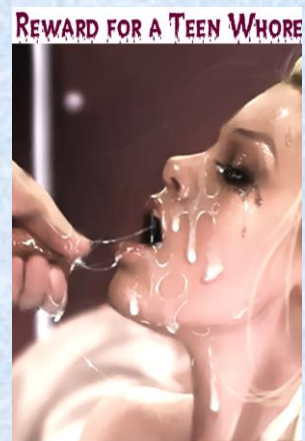

"Now start sucking him off," the nurse commanded. "It's gotta be nice-and-hard when he pokes you."

"*Sucky-sucky ... Sucky-sucky,*" he repeated waving his old smelly penis in front of Patricia's teenage full **lips**.

Obscene *{slurping}* sounds filled the air as Patricia gagged on the large smelly organ. The wicked nurse was overjoyed. She hated sweet young prissy girls.

Patricia started *gagging* as she felt hot sticky **semen** squirting down her throat.

"Don't worry if he cums, **Slut**," the nurse said. "He does that all the time. It's actually half **urine** if you want to know the truth. And he has more than enough left in his balls to **knock you up**."

"Have you ever been married, **Bitch**?" the nurse asked.

"No. Of course not," Patricia answered. "I'm just a teenager."

"Well, you're about to get **married now**!"

She turned to the excited old man with the long erect **penis**.

"Herman, do you take this snotty **bitch** to be your lawfully wedded wife?"

"*Wifey-poo! Wifey-poo!*" he panted and eagerly nodded.

She turned to Patricia.

"And do you take Herman to be your lawfully husband?"

"I DO NOT!" spat Patricia.

The old nurse <slapped> her hard across the face.

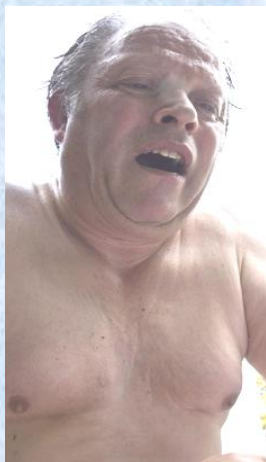

"RAPE the Whore!"

"~~FUCK~~ her, Herman!!!"

"Fucky-fuck ... Fucky-fuck," the old man jabbered as he spread Patricia's legs.

Patricia *shrieked* when she felt his organ push itself deep into her young pussy. He didn't pre-lubricate it. Rather, it was covered with his own **urine**.

**"SPREAD YOUR LEGS FOR DADDY, LITTLE WHORE"**

"Oooooowwwwwww!" Patricia cried as he madly hammered away.

"Do you want to make a **baby**, Herman?" the old nurse said to encourage him. "Then hurry up and make her **pregnant!**"

He immediately increased the intensity of his **FUCKING**.

"Baby-boo," he said looking intensely into Patricia's eyes. "Baby-boo ..."

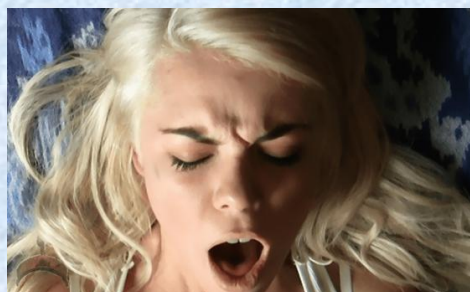

Patricia began *sobbing* more when Herman began groaning loudly. He started shaking. His in&out movements ceased as he *plunged* all the way into her womb. The nurse knew what was happening even if the naïve teenage girl did not.

"Hold her legs up!" she yelled. "Hold her legs up while you **impregnate** her!"

Herman almost lost consciousness from her breeding effort. Patricia grimaced as she felt a foreign sticky *substance* flooding her young womb. The nurse was ecstatic!

"You're the man, Herman!" she yelled. "You are this **bitch's** man alright!"

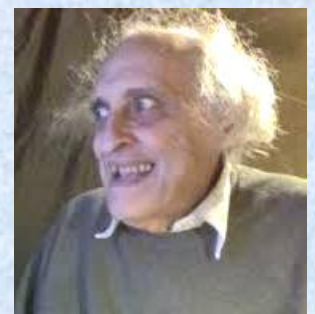

He groaned. *"She ... tight ... Made me ... sore ..."*

The nurse replied: "Well, let's see if we can fix that right now. Get on your feet, you prissy **Whore!** We gotta get you reamed out for the next time."

"What do you mean?" demanded Patricia who struggled to her feet. "Where are you taking me?"

"Shut your trap, **Bitch**, and go through that door," directed the nurse.

*In a Parallel Universe ...*

Herman's eyes seemed to get Big when he heard that because he knew what was beyond the door. It was a special room filled with **sex machines** that were sometimes used to keep the male patients' desires under control. But this time they would be used for a different purpose ...

Now it was Patricia's turn for bulging eyes. She never saw such a sight. Dozens of **mechanical fucking machines** with huge attached **penises** scattered around the room.

"We gotta get you stretched out, **Bitch**," the nurse explained. "There's a lot of men here that need satisfying tonight.

"No! I won't do it!" stated Patricia defiantly. "That's inhuman!"

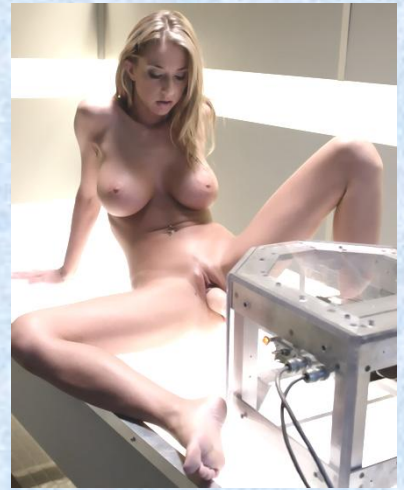

"Oh the hell you say," spat the nurse. "Herman, help me strap her down."

It wasn't long before Patricia was *squealing* like a **pig-slut** ...

"Turn 'er over, Herman," the nurse directed. "We gotta stretch out her **butt-hole** too. You know what your buddies like. They like the ASS!"

Patricia's *squeals* turned to painful **groans** as the artificial penises **sodomized** her relentlessly.

Patricia was unaware of the audience that the sounds from the mechanical playroom attracted. Many male patients were observing with **SADISTIC** delight. The only thing close to a female that they had for several years were inflatable sex dolls. Now they had a real one. And a young one at that!

The previous mechanical sex machines did only so much to stretch out her **rectum**. But they couldn't duplicate the twisting and jerking motions of the various men. Patricia's squeals soon turned to *screams* and *sobbing*.

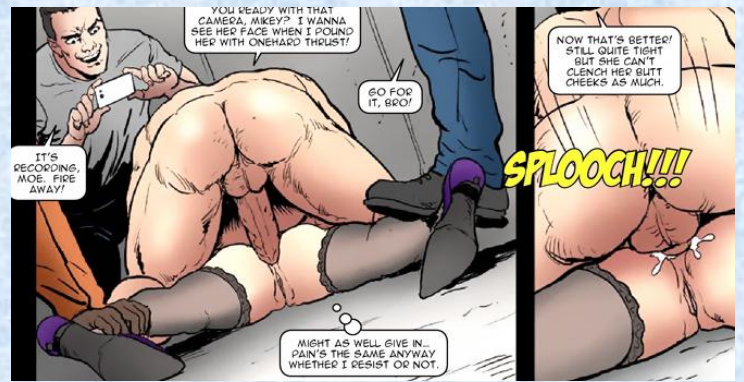

"Take it out!" she screamed. "Get it out of my butt!"

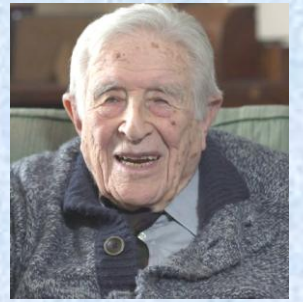

"Shuddup, **Whore!** Your sexy ASS is mine now!!!"

"Girly-whore ... Girly-whore ..." blubbered Herman as he watched the teenage maiden get buggered.

"I write so many break-up songs because most guys aren't man enough to handle a girl with a dick!"

"Guys don't know what to make of a cute girl with a hard cock,"

Taylor Swift explains when asked about why she has had so many high profile break ups. Taylor moves through guys at an extraordinary pace and, according to her, it's because they don't know how to handle her surprising extra part. "They've all heard my songs, seen me perform and seen me on TV and think that I'm this nice, pretty, girly girl that they can be all manly around, but then they get me up to the bedroom and realize that there's this other side to me. They push me onto the bed, strip off my skirt and my horny dick springs out." "Guys are all curious about cock," she confides when asked how she stays in relationships at all, "They like to taste it, stroke it while they fuck my tight ass, even some like me to screw them, but eventually it messes too much with their idea of themselves as real men and me as a girly girl."

"Guys think I'm all sweet and innocent and want to defile me. That is, until they see what's in my panties and realize I'm far more naughty than they are!"
