

The following short-story has **Adult XXX-rated** themes. These are entirely fictional and are not meant to condone any real life violence toward women etc. (*note: acting out fantasies in private consensual "role-playing" games doesn't apply here*). This added material is intended only for those Adults who are entertained by such fictional imaginations.

The actors and actresses in the rehearsed photos are over 18 years (see [here](#) for a list of sites from where they were extracted). The anime/hentai/cartoon/3D/CGI images depict sexual fantasies of many Adults and as strictly drawings of erotic art are harmless and (at one time) were not subject to any legal restrictions (see [here](#)). These images were created to be over 18 years old by their artists.

These short-stories do not have an "editor-in-chief". Many individuals contributed to different sections in a story. So it is possible that some questionable images "slipped through the cracks". If any image is judged to be illegal by a newer law, please contact [kelli@hotlegsinlove.com](mailto:kelli@hotlegsinlove.com) and it will be removed.

All of these images were retrieved from "free" public (i.e., non-paysite) websites including Google. Some have a massive collection from fake-celebrity-sex to BDSM to incest to bestiality images [such as [8muses.com](http://8muses.com) ]. The assumption was that if these somewhat-realistic images were illegal, the legal authorities would have had them removed a long time ago. But they are still there and so they are being used here and saving you a lot of web-surfing time.

If you are someone who might be offended by such fiction or the prevailing Laws of your locale do not permit viewing ***“Forced Sex”***-type material --

and especially if you are under 21 years of age --

**THE PERILS OF PAT SAVAGE**

<http://www.hotlegsinline.com/PSXXX.htm>

Growing up in a remote section of Canada, Pat Savage was constantly around animals. She had several as pets.

One day, Pat was solicited by an old woman over the telephone for donations to an animal shelter. She decided to check it out first. Her friend Daphne Cole accompanied her on the visit.

They were somewhat disillusioned when they arrived at the address. Instead of being a modern kennel, it was a ramshackle old house in a rundown neighborhood. Nevertheless, they <knocked> on the door. An old woman answered. She at first seemed surprised ... then was quite delighted at the sight of the two beautiful women.

"Well, thank you so much for coming," she said.

"We just wanted to have a look-see before we committed to anything," Pat explained.

"That's quite alright, dear," the woman said. "Just follow me."

The heavy door <slammed> shut behind them as they walked down a dimly-lit hallway. Pat and Daphne could hear dogs **barking** and *whining*.

They finally came to a large room where there were 7-or-8 **large** canines. But something seemed to be amiss. Pat's golden *eyes* spotted it. The dogs were all males. Plus they all had fully stiffened red **erections**. Sometimes they would jump on the backside of one another in an attempt to find relief.

The old woman saw Pat's comprehension.

"I see that you figured out the problem. There are no females for the dogs to breed with. They are in **sexual agony**. They've been like this for a week-or-more. That's why all this damn whining."

Daphne asked: "Couldn't you bring some female bitches in for them to mate with?"

"*We did!*" came another voice in a dark part of the room.

An old man appeared. He had a **gun** in his hand that he pointed meanfully at the two adult women.

"We did get some female **bitches** to come here. We got **both of you!**"

Pat and Daphne were momentarily stunned ... then terrified!

"You can't be serious!" Pat complained. "Are you insane?"

"Maybe a little," the old man laughed along with the old woman. "But rest assured, you **whores** are going to get **DOG-FUCKED!**"

He discharged his weapon. The bullet made an angry *smack!* into a wall behind them.

"Now get out of those goddamn clothes and be quick about it!"

The women were numb as they slowly started disrobing. It was almost like a strip-tease show that made the old man get an **erection**.

"I RAPE YOU!"

"Elmer," the old woman said, "they're wearing too much perfume. That might scare the dogs off no matter how horny they are."

"I can fix that, Ester," the man said masturbating his large penis. "I'll give these sluts a good coating of my **piss** and **jizz**."

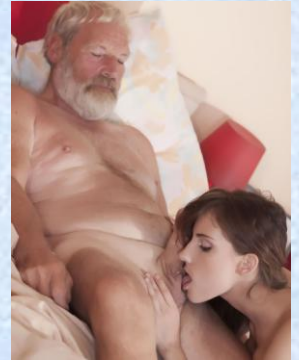

"Don't you touch us!" warned a naked Pat.

"Leave us alone, you nasty old pervert!" seconded Daphne.

A twisted grin came to the old man's face as he waved his gun again.

"Oh the hell you say!" he spat. "Kneel down on the ground there. I'm gonna **FUCK** your faces."

*"Slurp ... Slurp ... {cough} ... {gag} ... Slurp ... Slurp ... !!"*

Elmer smiled at the obscene sounds coming from the two women. Ester also had a wicked glow in her eyes watching Pat and Daphne subjugate themselves.

"Quit playin' around, Elmer, and git them **sluts** ready for the dogs!" scolded Ester.

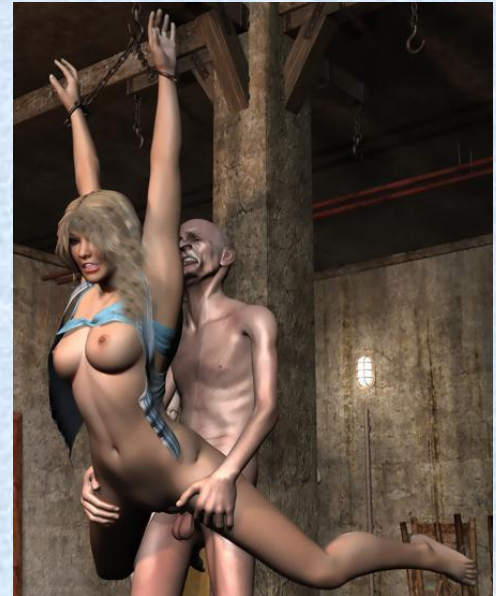

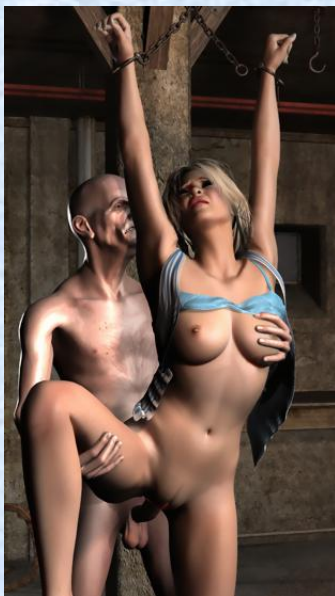

Disgustedly, he pulled out of their **lipstick**-coated mouths and *pissed* all over them.

"A man's work never ends." he spat as he proceeded to spread their legs, "Goddamn **Whores!**"

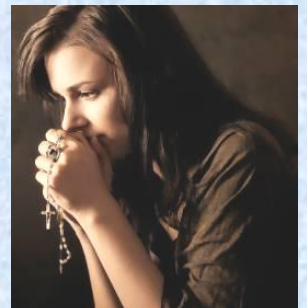

For such an elderly man, Elmer's penis was as long and stiff as a 20-year-old's.

*"OOWWWW!!"* screeched Pat as he brutally penetrated her. "Damn you to hell!"

Elmer ignored her cries as he **plunged** away inside her pussy. The old woman smiled ecstatically while Daphne watched in horror knowing that she would be next.

Elmer grunted as he released half of his *seminal* load on Pat's body.

"One down, one to go," he muttered and looked toward Daphne.

Daphne *yelped* just as loudly as Pat did when her tight dry vagina was torn.

The old man's body shook all over as he ejected his very last drop of *semen* onto Daphne. He felt like he was almost having a heart attack.

"You're still the man," congratulated Ester. "Them doggies must be goin' outta their minds smelling all your hot *sperm*."

### A WHORE'S PAINFUL RAPE

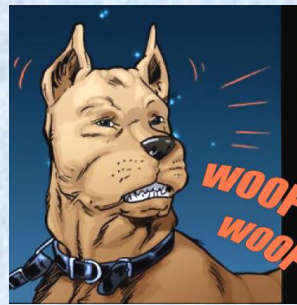

*In a Parallel Universe ...*

The menacing canines had been watching the **RAPING** of the two women all the while. They were more than eager to participate. And with the human women *squirming* enticingly on the ground and smelling of **urine** and **semen**, now was their chance ....

"Quick, Elmer!" shouted Ester. "Get up and git me my camera. These will go in our shelter's scrapbook!"

The dog beasts seemed to be inexhaustible much to the dismay of Daphne and Pat who were getting more sore by the minute.

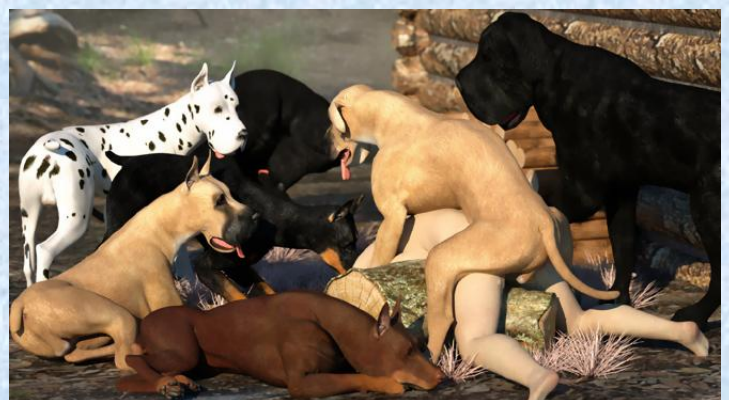

"O-o-o-o-oh ..." moaned Pat. "When are they going to stop?"

"Hell, **Bitch**," answered Elmer. "They haven't even '**knotted**' you yet."

"Wh... wha... what do ... you mean ...?" gasped Daphne while she was being pummeled by a steel-hard huge canine **penis**.

"You stupid **whore!**" scoffed Ester. "That's when they get close to cummin' and their cocks swell up inside your filthy cunts till the last drop of **puppy-making sperm** squirts out."

"A-r-r-r-r-r-g-g-g-hhhh!" the two elegant women groaned in unison as the dogs kept up their crazed **breeding**.

Every time a dog would suddenly stop and *whine*, Pat and Daphne would simultaneously stiffen and close their eyes. They knew that they were going to immediately a huge load of *doggie sperm* deep up into their fertile wombs.

"It's a good thing these **whores** showed up when they did," said Elmer. "I don't think them pups coulda standed it much longer."

"I believe you're right at that," agreed Ester as a another mangy beast shot its hot sticky *cum* up into Daphne's cunt.

After a couple of hours, Pat and Daphne were groaning and squirming on the floor after their canine **breedings**. They slowly positioned themselves to where they could begin redressing.

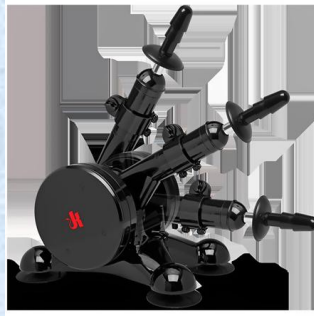

But Elmer and Ester weren't done with their entertainment yet.

"We didn't tell you to get dressed!" Ester

"We want you two to be walkin' bowlegged for a month-or-so like all **whores** do," Elmer said laughingly.

He <pointed> to some evil-looking **mechanical devices**.

"Strip, **Bitches!** And strap yourselves to them mechanical fuckers."

Old Ester laughed as Pat and Daphne pleaded while awkwardly removing their clothes under gunpoint.

"Oh Please! PLEASE!!" begged Pat.

"We're too sore!" added Daphne. "Those damn dogs tore us apart!"

Elmer spat on them. "Spread those legs eagle and hook up to the machines."

Daphne and Pat clenched their teeth and closed their eyes as electric was turned on.

The monotonous *humming* tones of the electric motors were almost as loud as the pitiful squealing made by the two impaled women.

"G-a-a-a-a-a-a-a ...!" moaned Pat.

"A-a-a-a-h-h-h-h-h ..." groaned Daphne as the insidious mechanical devices thrust their oversized dildoes in-and-out with untiring merciless motion.

After an hour the two women were literally **FOAMING** at the mouth.

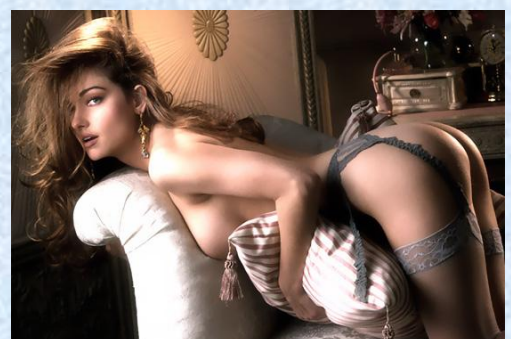

As evening was setting, the old man and woman got tired of their sport. They turned the machines 'off'.

"Well, you **whores** have had your fun today," said Elmer. "We don't time to fool with you anymore."

"So get dressed and git your **slut** asses the hell out of here," added Ester.

It was painful for Pat and Daphne to move at first. But then relief as much as fear kicked in and they scrambled as best they could to put their clothes back on.

But no sooner than they started to redress came 2 human laughing sounds followed by
