

The following short-story has **Adult XXX-rated** themes. These are entirely fictional and are not meant to condone any real life violence toward women etc. (*note: acting out fantasies in private consensual "role-playing" games doesn't apply here*). This added material is intended only for those Adults who are entertained by such fictional imaginations.

The actors and actresses in the rehearsed photos are over 18 years (see [here](#) for a list of sites from where they were extracted). The anime/hentai/cartoon/3D/CGI images depict sexual fantasies of many Adults and as strictly drawings of erotic art are harmless and (at one time) were not subject to any legal restrictions (see [here](#)). These images were created to be over 18 years old by their artists.

These short-stories do not have an "editor-in-chief". Many individuals contributed to different sections in a story. So it is possible that some questionable images "slipped through the cracks". If any image is judged to be illegal by a newer law, please contact [kelli@hotlegsinlove.com](mailto:kelli@hotlegsinlove.com) and it will be removed.

All of these images were retrieved from "free" public (i.e., non-paysite) websites including Google. Some have a massive collection from fake-celebrity-sex to BDSM to incest to bestiality images [such as [8muses.com](http://8muses.com) ]. The assumption was that if these somewhat-realistic images were illegal, the legal authorities would have had them removed a long time ago. But they are still there and so they are being used here and saving you a lot of web-surfing time.

If you are someone who might be offended by such fiction or the prevailing Laws of your locale do not permit viewing ***“Forced Sex”***-type material --

**THE PERILS OF PAT SAVAGE**

<http://www.hotlegsinline.com/PSXXX.htm>

Like many other women, Pat Savage was fond of antiques. She had already inherited a collection from her father's former resort in Canada. And she was always on the lookout for more of these goodies.

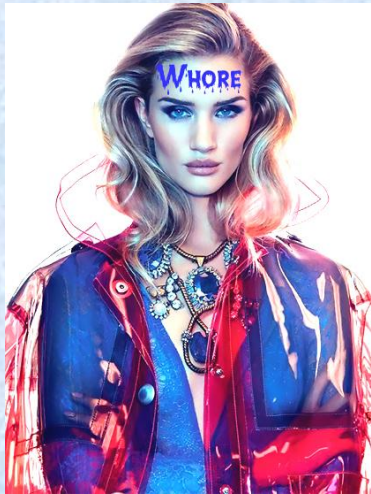

One day, she and her friend Sheena were searching various neighborhoods for such items. Not surprisingly, some of these locales were rather shoddy and in disrepair. They came upon a so-called "business" which looked more like a junkyard than the 'Antiques' sign that appeared on the door.

The two beautiful white women <knocked> on the door.

An African-American woman answered. At first she seemed annoyed ...

... then as if a 'light' went on in her head, she smiled.

"We're shopping for antiques," Pat said airily.

"Well, sweetie, you've come to the right place. Please come on in."

Pat and Sheena went in. They were in high spirits looking at all the odds-and-ends crammed into a large room.

"But before you decide on anything up here, I have some much better stuff downstairs."

The two women were excited and followed the old woman down some rickety steps to a dimly-lit basement. They heard male voices that shortly proved to be some black men playing poker. The men's eyes widened with delight when they saw the two tall slender white females.

"Holy shit! What did you bring us, Bea?"

Pat and Sheena looked confused. They didn't see any antiques anywhere. Just a group of shirtless smelly black men playing cards.

"Just a couple of white **whores** that I thought you fellas would be interested in."

At the word '**whore**', Pat instinctively began backing up toward the stairs. She grabbed Sheena's arm as she retreated. But a man stopped them.

"Where do you think you're going, **Bitches**?" he asked menacingly.

"Please. We don't want any trouble," pleaded Pat. "We were just searching for antiques."

"What do you think of this 'antique', **Whore**?" another man said and pointed to his huge exposed black **penis**.

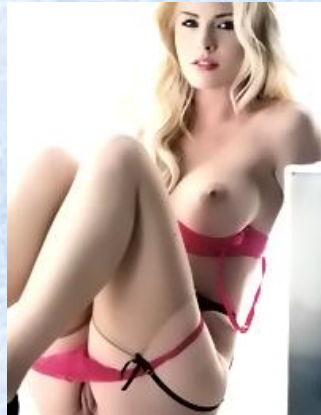

Both women's eyes bulged at the sight. But before they could say anything, assorted hands started ripping their tight-fitting clothes off their voluptuous bodies. Even the old woman Bea was helping.

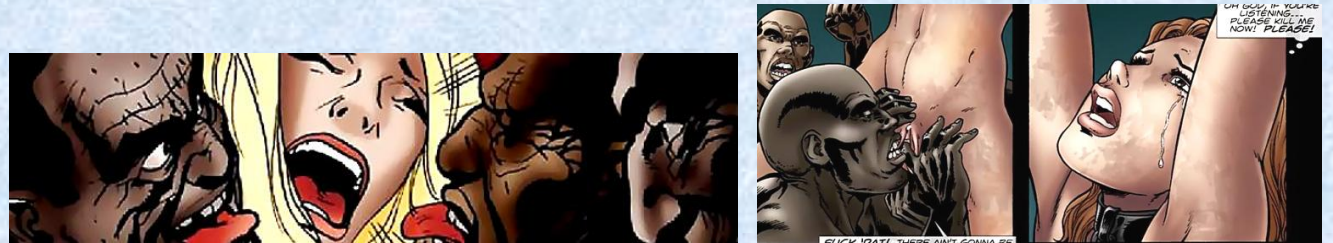

*"Now we Fuck!"*

"Oh but you two are gonna get the **FUCKING** of a lifetime," Bea promised as she herself got naked and strapped on a large **dildo**. "Both of you are gonna be walkin' bowlegged for a month!"

"I think I got these white **bitches** warmed up for you studs," Bea announced when she finished her foreplay. "Now **RAPE** the hell out of them!!!"

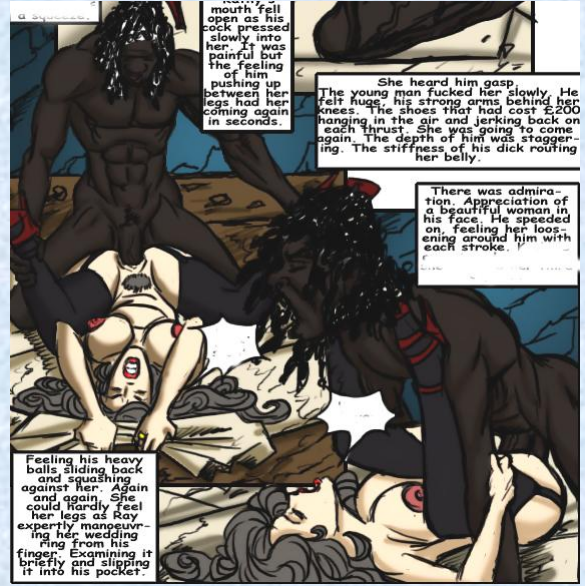

"It's **baby-makin'** time, **Whores!**" a man eagerly panted.

"No! No No!" yelled Sheena. "I don't want to get **pregnant!**"

"We're gonna give twins to you **Sluts!**" another man laughed.

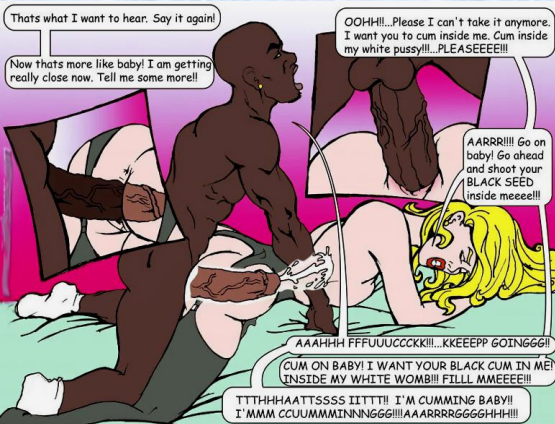

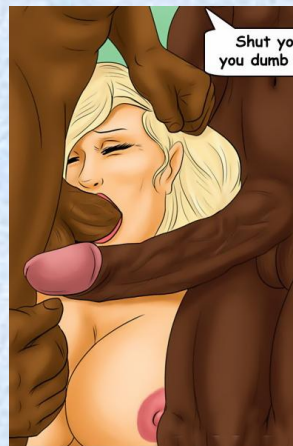

"N-o-o-o-o-o!" groaned Pat as she felt a long stream of **sperm** gush into her womb.

"Aaaaaa-iiiiiii-eeeeeee!" echoed Sheena as a huge **impregnating** glob entered her.

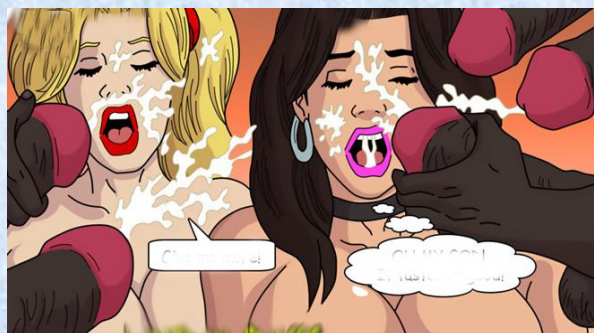

The **black** woman Bea smiled down at the two raped white women.

"Pucker up, **Bitches**," she spat. "It's time to suck some **dicks**."

Sheena and Pat made obscene {slurping} sounds as they gaged on the huge black penises. In the process, of course, they involuntarily swallowed some of the nasty stuff.

The oral degradation of the two white beauties caused the men who had taken them first to get "hard" again. This time, they wanted their ASSES!!

"Roll over on your tummies, **Bitches**," commanded Bea. "You're about to get up 'up the dirt path!'"

"OOOOHHHHHHH!" moaned Pat in *pain* as her tight **rectum** was getting brutally reamed out.

"Take it out!" gasped Sheena. "Take it ... *OWWWWWWWW!*"

The men rolled off the slender white women after the last drop of **semen** was expended. All were exhausted. Except Bea who wasn't done with her torment yet.

It was about this time that Pat and Sheena heard <barking> sounds.

"You've heard of **junkyard dogs**, haven't you?" asked a smiling Bea. "Every junkyard has them. They protect us and our valuables. But they're always horny if you know what I mean."

A man said: "Always horny. And I mean always!"

At, that, everyone laughed. Everyone except Pat and Sheena who watched the huge beasts approach their naked bodies sniffing and whining with erect reddish canine **penises**.

Of the two, Pat was the first to catch on.

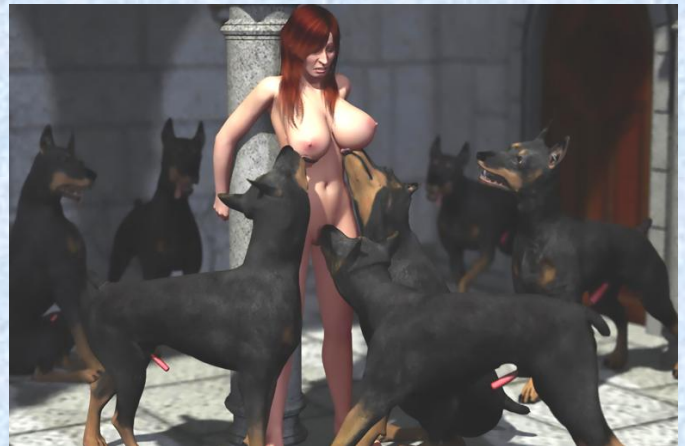

"You can't be serious!" she scolded. "Haven't you done enough already?"

"What do you mean?" asked Sheena naively.

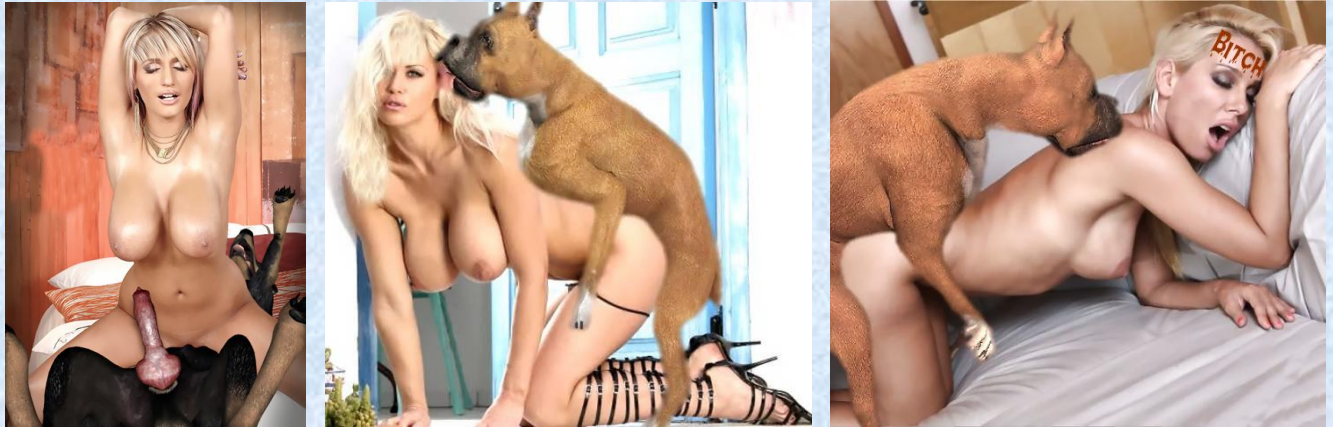

"Those dogs are going to *rape* us!" Pat hissed.

"More precisely, they're gonna **BREED** you," a man laughed.

Bea made it simpler. "You're gonna get a bellyful of puppies!"

A dog's **penis** is even more hard and inflexible than a human males. And Pat Savage felt every inch of it!

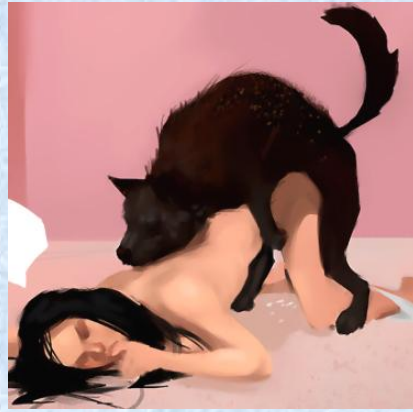

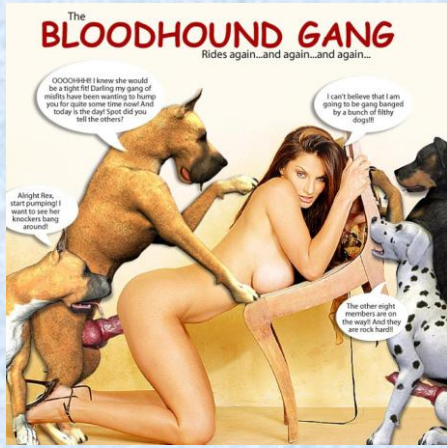

Sometimes when a dog fully enters a womb, it extracts just an inch-or-two as it humps away. But not Pat's dog. The bastard canine withdrew nearly of its hard **penis** before **ramming** it back into Pat's cunt with each thrust.

Sheena wasn't faring any better. The **semen** leaking out of her vagina and rectum from her prior **rapings** attracted the dog's strong sense of smell. They fought each other to get to breed with the brunette human.

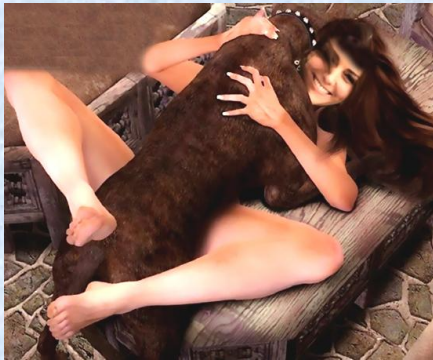

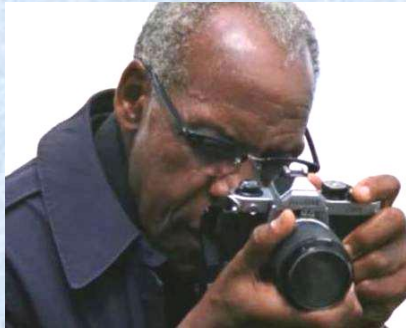

"Turn over on your backs!" Bea yelled. "Them doggies are ready to **cum!**"

The dogs "**knotted**" in Pat's and Sheen's wombs. Their penises would not exit until every last drop of **puppy-making semen** was spent.

"Just look at that!" said Bea with pride. "What a beautiful sight. Two white **whores** getting **BREEDED** by our 4-legged studs. Somebody take a picture. Quick!"

"I don't believe it!" a man said. "Those filthy **whores** are suckin' doggie dicks!"

"White **whores** will do anything to get out of **screwing**," sighed Bea.

But Pat and Sheena were not doing "it" willingly. The dogs forced themselves on the women as if possessed by human intelligence.

By the time the smaller dogs finally got their turns, the women were almost numb.

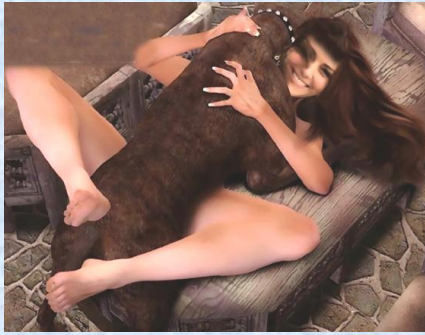

They didn't try to resist anymore. They just lay there like true **whores**.

"I have to hand it to you, Bea," a man said. "I never thought such fancy sophisticated **bitches** would secretly be common **whores**."

"Oh," admitted Bea bashfully. "Perhaps a little of my hands-on training did help a little."

Everyone laughed as the last dog *spent* itself.

*In a Parallel Universe ...*

But just because the men as well as the dogs were exhausted did not mean that the two sophisticated white women were free from further humiliations. That is, not if Bea had anything to say about it.

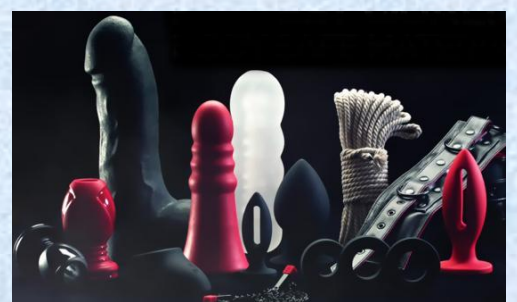

"You **sluts** came here looking for antiques," reminded Bea. "Well, we got some old machines that you might be interested in.

She <winked> at one of the men.

"You mean ..." he started to say.

Then he smiled and said: "Oh yes. Hell yes!"

Pat and Sheena were dragged into a dusty and moldy-smelling room. Their eyes roved around old and rusty mechanical devices of various types. Some like clocks and lawnmowers they could identify. But some others ...

The long **dildoes** at the end of those machines gave their purpose away. They were **mechanical fucking/raping machines**. Pat caught on before Sheena did. She got sick knowing their ordeal was going to continue (as if the dogs weren't bad enough!).

"Strap them white scags up to the machines," Bea directed. "Spread their legs and turn 'em on. Gonna be a lot of moaning and groaning in here shortly."

"O-o-o-o-o-o-h-h-h-h-h-h," Pat began groaning as the machine started its relentless thrusting.

Sheena was *squealing* like a stuck **pig-slut**.

Despite having so much wet **semen** deposited in their cunts by the men and especially the dogs, a lot had *seeped* out leaving their vaginas somewhat dry. The unlubricated dildoes were *painfully* stretching them out.

"Don't forget their assholes!" Bea shouted above the loud motor *humming*s.

"Oh God! It's too BIG!" Pat yelled. "Turn it off! Turn it off, dammit!!!"

"Ga-ga ... Ga-ga ... Ga-ga ... Ga-ga ..." Sheena blubbered as her eyes rolled back in their sockets.

Both women were getting completely filled and reamed out by the tireless mechanical fuckers.

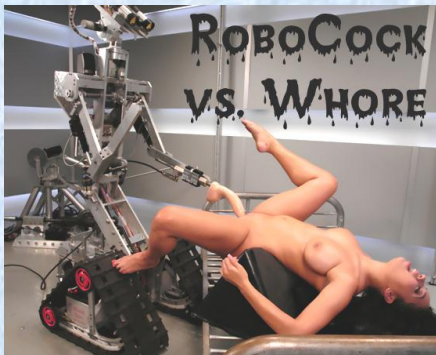

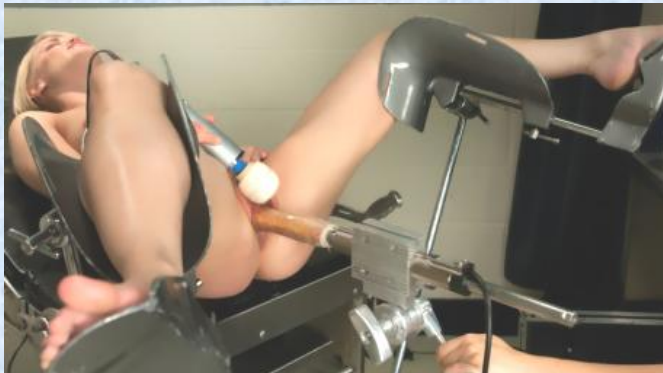

"Turn 'em up!" Bea suddenly yelled. **"Full Power!"**

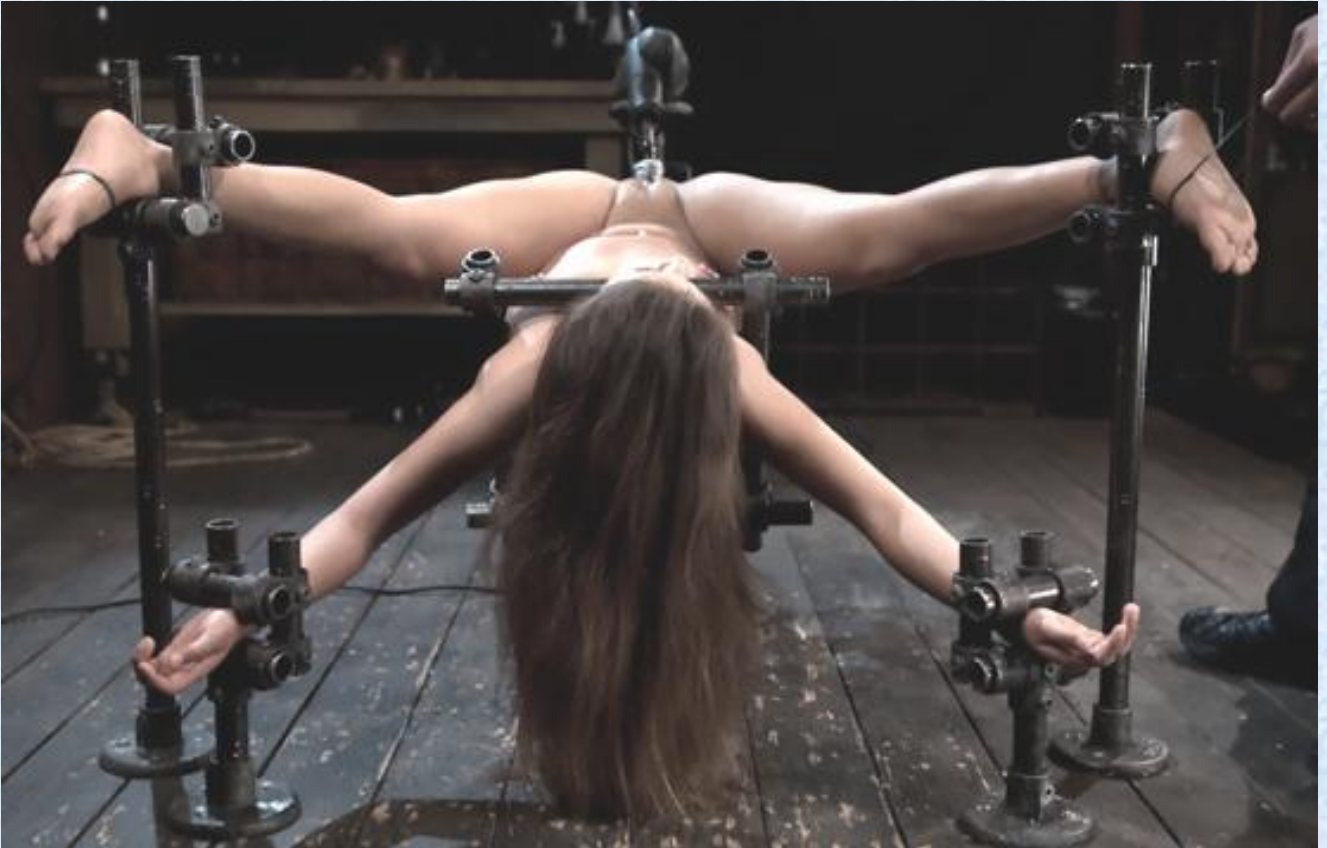

The sonic *pitch* of the machines' motors increased. And with that, the In-Out thrusting tripled in its frequency.

*"Damn ... you all ... to ... Hell ... !!"* Pat groaned.

*"Oh God! Just let me die!"* begged Sheena.

"You ain't gonna die, **Jezebel**," snarled Bea. "But I bet you won't be fuckin' any of your goddamn rich boyfriends for a while. Plus you'll be too bowlegged for a couple of months to be wearing those fancy **high-heels!**"

All "good things" must come to an end. Which was quite merciful for Pat and Sheena. Their **black** antagonists were getting bored with the entertainment and reluctantly switched 'off' the machines.

They looked down upon the ravaged spread-eagled white **sluts** with great delight.

"Okay, you can go now," Bea announced. "I think I've given you a thorough tour of our facility here. Do you want me to gift-wrap one of these **machines** for you?"

"When I'm on tour, I get horny a lot. I need to get fucked or get my dick sucked every night!"

"It gets me mad, these guys who want to enjoy my cock and leave to find a 'real' girl," Taylor shares, "So of course when they leave, but they're still calling me up to ask for one more taste of dick, I have to write these songs about them."

"You know that song 'Picture to Burn'?" Taylor asks when pressed further about just which of her songs are really about guys who want to leave her but can't leave her cock, "I wrote that line about 'I'll tell all my friends you're gay' about a guy who was cheating on me with a girl with a pussy but was always crawling back to bend over and take my dick in his ass. Eventually I got bored of it."

Like any musician, the thrill of performing and the long hours of touring get Taylor pretty horny, so she makes sure she keeps her band filled with guys who know how to please her she-cock.

"Nothing gives me a bigger hardon than performing on stage. I love to see all those people staring up and worshipping my body and my talent!"
