

The following is a short story in which **Adult XXX-rated** themes have been inserted. These are entirely fictional and are not meant to condone any real life violence toward women etc. (*note: acting out fantasies in private consensual "role-playing" games doesn't apply here*). This added material is intended only for those Adults who are entertained by such fictional imaginations.

The actors and actresses in the rehearsed photos are over 18 (see [here](#) for a list of sites from where they were extracted). The anime/hentai/cartoon/3D/CGI images depict sexual fantasies of many adults and -- as strictly drawings of erotic art -- are harmless and (at one time) were not subject to any current legal restrictions (see [here](#)).

(But having stated that, if any image is judged to be illegal by a newer law, please contact me at kelli@hotlegsinline.com and it will be removed. All of these images were retrieved from "free" public (i.e., non-paysite) websites. Some have a massive collection from fake-celebrity-sex to BDSM to incest to bestiality images [such as smuses.com]. I assume that if these somewhat-realistic images were illegal, the legal authorities would have had them removed a long time ago. But they are still there and so I am using them here and saving you a lot of web-surfing time.)

If you are someone who might be offended by such fiction or the prevailing Laws of your locale do not permit viewing **“Forced Sex”**-type material -- and especially if you are under 21 years of age --

DO NOT READ FURTHER .

Doc Savage #919 **XXX** - "Babies 'R Us"

a short story by kelli@hotlegsinline.com)

XXXX Not For Viewing By Anyone Under 21 **XXXX**

THE PERILS OF PAT SAVAGE

<http://www.hotlegsinline.com/PSXXX.htm>

Patricia Savage was on a week-long field trip with her Canadian high school. They crossed the border and were visiting Detroit, Michigan. The objective was to expose the students to life in a major metropolitan city which was much different than the isolated wilderness backgrounds that most came from.

Patricia looked almost out of place with the group. She had a teenager's face with the **body** of an adult Hollywood starlet. In her rural home, nobody paid her much notice since they had known her all their lives. But in this city and some of its rougher neighborhoods, she was getting '*whistles*' and '*cat-calls*' from the crudest of men.

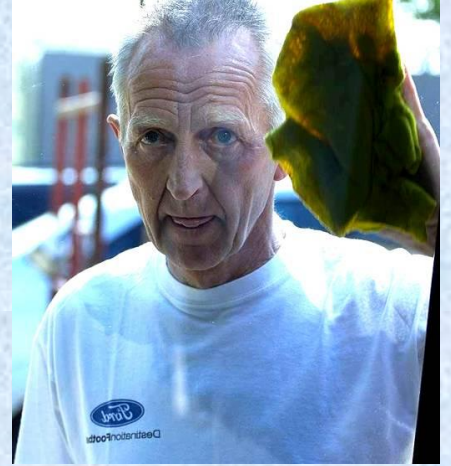

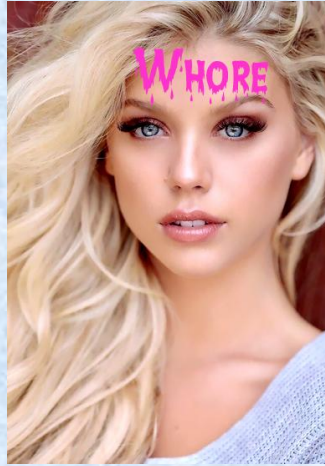

She was embarrassed in front of her fellow students and then got angry. Contempt beamed from her eyes at those depraved men who made perverted comments.

"Hey, Baby! What say you and I play a game called 'FUCK'?!"

"Come over here, **Bitch**, and suck my big fat cock?"

"Did you ever get it rammed up your tight little ass, **Slut**?"

That should have been warning enough for her to stay with the group. But she got restless once when the others were eating lunch and strolled away for a quick mini-tour. She seemed to be in a warehouse district. The streets and sidewalks were cracked and dirty. Sometimes her dainty **high-heel shoes** got stuck in the some of the cracks as she gingerly *tap-tap-taped* her way along.

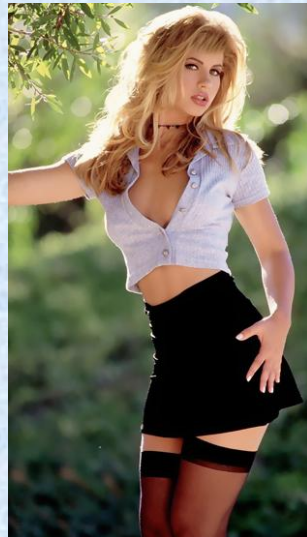

She heard strange *sounds* as she passed one large building. They weren't machinery sounds; more like human. She possessed an inquisitive mind (which had gotten her into trouble more than once in the past) and decided to investigate.

She went to the door and tried to open it. But it was large and too heavy. She was about to give up and move on (it would have been a blessing if she did!) when a voice behind her caused her to jump!

"Need some help, Miss?" said a tall African-American man.

He was with a group of others. Unknowingly to Patricia, they had been gazing at her for a while with anxious feverish eyes.

"Uh ... I don't ... I don't think so," she stammered. "I ... I was just ... sort of curious. I'm on a school field trip and ..."

"Ah!" gleamed the tall black man. "So you're still a teenager. Damn, girl! You could have fooled us."

"Maybe I should just leave," she replied quickly.

"Nonsense," said the man. "Actually, this place is very unique. You see, there are a lot of unfortunate people in the World who can't have children for various medical reasons. This here business helps them by finding kids for them."

"Really?" Patricia quizzed.

"Oh, yes indeed," the man replied. "They provide a much-needed service."

"What's it called?" asked Patricia innocently.

"**Babies 'R Us**," the man answered.

This brought a suppressed giggle among his fellow group of blacks.

"Babies 'R Us ..." Patricia repeatedly thoughtfully. "I can see where that would be a good business to be in. It would help a lot of those who want to be parents."

"Do you want to see how it works?" the man anxiously asked.

"I'm feeling that I would be intruding," Patricia said.

"Oh, but you wouldn't be," the man said assuringly.

*He thought to himself: "Not someone with a **body** like yours!"*

He used a key to unlock the heavy door. Which explained why Patricia couldn't budge it in her earlier efforts. It was dark and dusty when they entered a room. The man sensed her alarm.

"This is just an old entrance," the man hurriedly explained. "The owners didn't have time to remodel it. They used all their limited funds to fix up the inside rooms. Come on in. I'll show you."

It sounded reasonable to Patricia. So against her better judgment, she followed him through another heavy locked door. *Which would prove to be her big mistake!*

The door revealed a brightly-lit inner room with desks, telephones, photocopy machines, and all the other equipment that one would expect in a business. There were some older women and men sitting at those desks. They seemed tired and businessy. But their demeanors changed when they looked up at beautiful white teenage girl in the company of 5 black men.

"Well hello, Jerome," one of the woman said. "Good to see you again so soon. And what did you bring us?"

"Hello, Ethel," he replied. "Found her wandering outside. Told her a little about what you did here and she seemed interested."

"When you say 'little' ..." Ethel began.

Jerome laughed.

"I just said that you arranged for babies to be given to parents who can't conceive on their own."

Ethel nodded. Then she looked at Patricia.

"That's right, Miss. There are so many people that want children so desperately. But they can't produce them themselves."

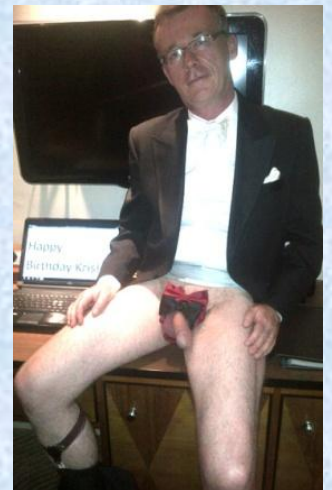

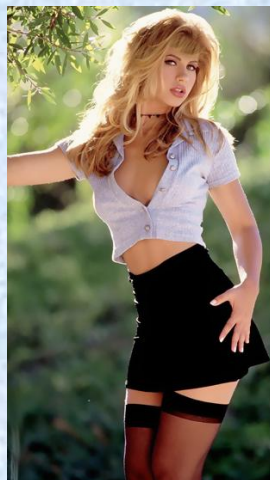

"So you're like an adoption agency, then?" quizzed Patricia.

"Oh no, honey," replied Ethel with a wicked smile on her face. "We are much more than that."

"Much more!" seconded Jerome with an equally evil grin on his face.

"Here, let me show you," the woman said as she went to yet another heavy locked door. "Everything will be explain inside here."

Patricia was confused. But she nevertheless followed the woman into the next room. She noticed that the group of black men filed in tightly behind her as well as the old white men that were in the office.

As soon as the door was opened, she was almost pushed inside. The men hurried in behind her and the door was slammed shut! The room was lit garishly in a harsh

neon-pink and *-purple*. It was here that *groaning* and *moaning* sounds mixed with shrieks and crying. Patricia's innocent eyes bulged as she saw the reason why ...

*Teenage girls were being **Raped!*** Some were tied to bedposts while their bodies were being **ravaged**. Others were simply being **deflowered** on the cold concrete floor. Some cried out for their parents. Others seemed subdued and offered little resistance.

"Gimme sum pussy, little **Whore!**"
"Stop it! Don't! Let me go!"

"Suck it! Suck it deep!"
{Gulp} {gurgle} {Gulp} {gag}

"Don't touch me! Please!! I want my daddy!"
"Im your daddy now, you fuckin' **Bitch!** So spread your legs wide!"

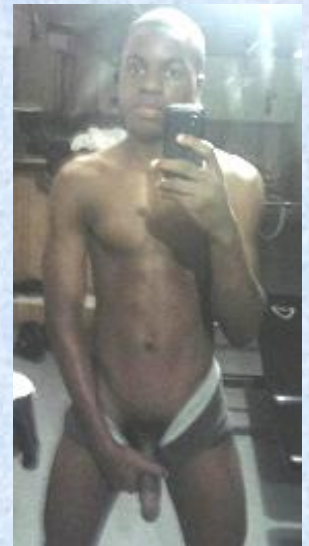

"Wha... wha... what is going on?!" Patricia demanded.

"You never asked where we got the **babies**," the old woman replied with a snarl. "We make 'em. **We make 'em here.**"

"The old-fashioned way," Jerome added while rubbing his crotch.

"You... you ... you're ..."

Patricia was so horrified that she couldn't finish the sentence.

"We git 'em off the streets. And then we **rape** the hell out of them," Ethel said with a gleam in her eyes. "We keep 'em here till their bellies get nice-'n'fat. Then when they finally pop, we sell their **brats** to the highest bidder."

Patricia felt angry for the first time. "I don't believe this!"

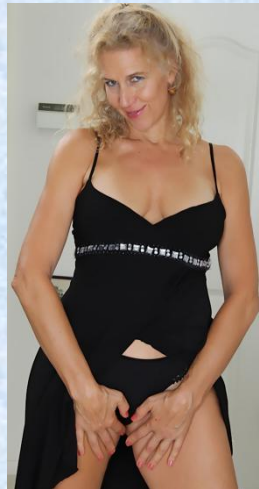

"The business is booming," Ethel continued. "We make lots of money. Sometimes \$20,000 for a single **brat**."

"Of course, we don't know the exact moment a **bitch** gets **knocked-up**," explained Jerome. "So we keep bustin' 'em until they show signs."

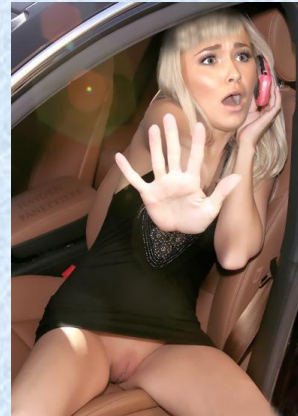

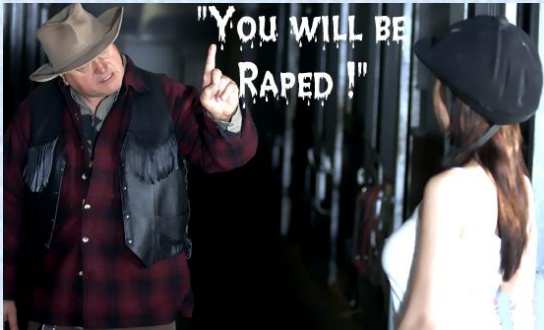

"This is the end result," Ethel bragged. "Looky in here ..."

Patricia peered into a corner of the room. It looked like teenage girls were waiting in line to use what appeared to be a dirty restroom. They were all **Pregnant!** Ethel seemed delighted and proud.

"These are the **Breeded** ones," she boasted.

"And these," she said pointing to some virgins cowering in another corner, "are the ones still waiting to get **Breeded!**"

"And those young **whores** over there are getting **tested** to see if they're **knocked-up**," Ethel continued. "I figure they kinda wish they are because then they only have to put up with being **raped** for a little while longer."

"Oh look at who's gonna get buggered in her Ass!"

"And we don't care who **impregnates** them," a white man explained. "We got a side **whorehouse** business going on as well. After they get **pregnant**, we fuck 'em for another 3 months. Then we stop. We don't want to injure them. But we can fuck their little butts for another 3 months. Then at that point, all they're good for is **blowjobs**."

At that, everyone laughed ...

... except Patricia. She was angry and determined.

"I'm going to report you to the authorities!" she threatened. "You'll be in prison for the rest of your lives!"

That earned her a hard <slap> across her beautiful face.

"You will moan and groan like a filthy Whore-in-heat!"

"Shuddup, you **'Ho!**" hissed Ethel. "You're not going anywhere except flat on your fucking back. You got some **babies** to make!"

"Like hell I do!" returned Patricia.

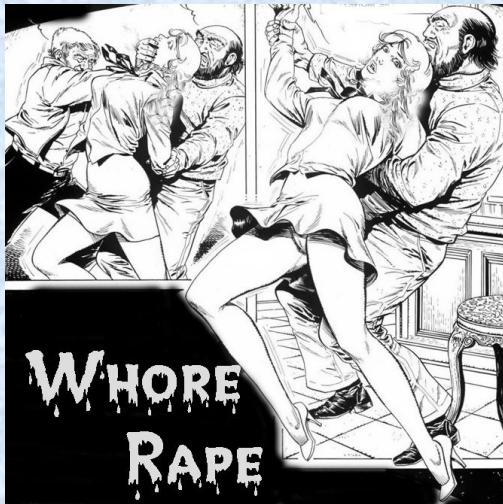

She struggled and fought against the many arms that encircled her and tore off her tight clothes.

"Quit fightin', goddamn you!" a beefy white man panted. "I won't have no energy left to give you the **screw**' that you don't deserve but the one that I need."

"Go to hell, you bastard!" Patricia screamed.

"Get your hands off me, you filthy animals!" screeched Patricia.

R-R-R-I-I-I-P-P-P-P went her clothes.

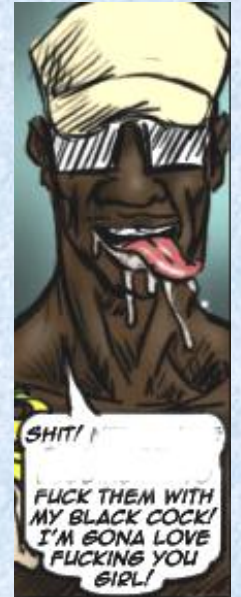

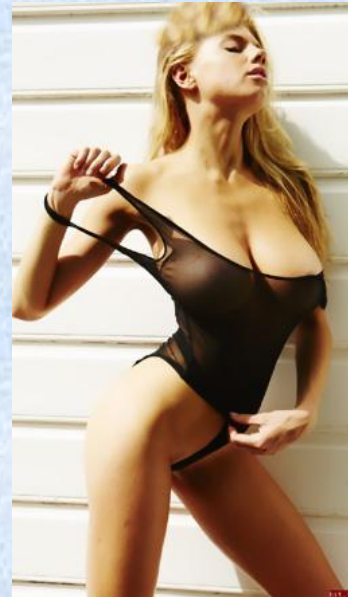

"They're gonna make you Pregnant!"

"Boy oh boy," a white man named Chester exclaimed. "Look at the **body** of this **Whore!** I bet she can make twins!"

"I'm betting triplets!" said Jerome. "And I'm gonna be first in line to give 'em to her!"

"You Bastards!" screamed Patricia as the last of her clothing was torn off.

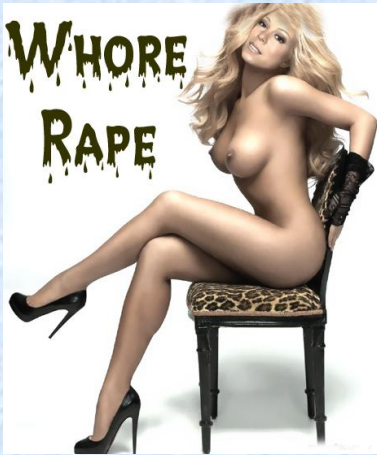

*"I'll hold her down
while you Rape her!"*

Patricia tried to run. But there was nowhere to go. And besides, the heavy doors were locked. All she succeeded in doing was exhibiting her adult naked body to all the grinning men who were busily getting naked.

And then their molestations started ...

"Git over here, you stuck up **Bitch**," a man commanded, "and give us some good luvin'!"

"Don't you dare touch me, you filthy pervert!" warned Patricia to no avail.

YOU'LL BE AT THE DISPOSAL OF EVERYONE THAT WANTS YOU. SOME WILL WANT YOUR MOUTH. OTHERS YOUR ASS...

Bastards!

"Umphhh!" Patricia groaned as wet tongues thrust between her full lips and her young 34-D breasts were squished and twisted.

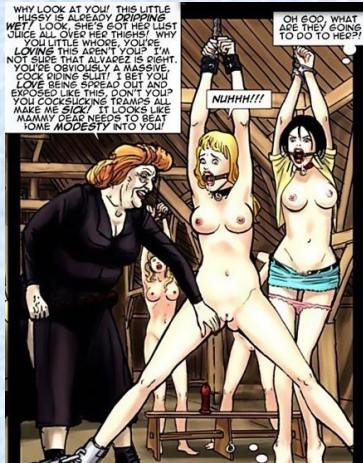

"Your pussy tastes good, Slut," a man grunted. "I'm gonna git it good 'n wet for Jerome's big black dick."

"You're just a teenage tramp!"

As she was succumbing to their gang-rape, she could see the other young teenage girls in the room getting violated in all sorts of manner. Patricia's screams were soon joining the cries and squeals of these former virgins.

A man grabbed Patricia's head and forced her to stare ahead.

"Just look at them **bitches** squealin' and fuckin'," he hissed. "And you're a-gonna join' them soon, **Whore!**"

Patricia's face <winced> as she forcibly watched the teenagers being impaled. Judging by their squeals and traces of **blood** on their thighs, she figured that most of them were **virgins**.

"What a horrible way to lose their maidenhoods," she thought to herself.

"O-o-o-w-w-w-w!!! It hurts! Stop It! Take it out!"

"Shuddup and take it like the **Slut** you are!"

In a Parallel Universe ...

Ethel abruptly grabbed Patricia and steered her into an adjoining room. The same type of sounds were coming from inside. But they sounded less girly and more womanly. Patricia's eyes bulged as she saw the reason ...

Young teenage boys were *raping* adult women!!!

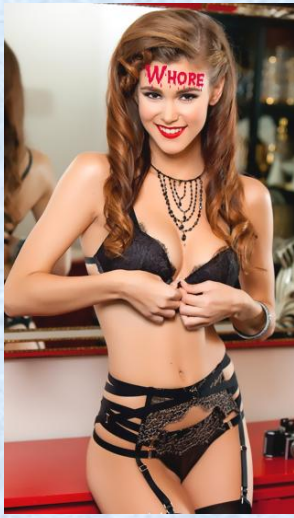

"There is a danger of birth defects if older couples conceive. It has to do with aging chromosomes," explained the old woman scientifically. "So we match old with young to minimize the risk. You've already seen the men fuckin' the young **bitches**. "Now these horny fucker-boys are screwin' the hell out of these **Jezebels**. Look over there. He's just a-startin'!"

Men held Patricia's arms and waist as she watched a beautiful naked woman being surrounded by equally naked teens.

"ALL OF US ARE GONNA FUCK YOU!"

"You get **FUCKED!**"

"Lay down and spread those legs, Woman!" a man ordered angrily.

Ethel whispered into Patricia's ears.

"We don't know how long it's gonna take to **knock her up**. She should be ovulating now. But she a-gonna be *squawlin'* and *squealin'* because this is about the **10th young dick** that's entered her cunt today."

Patricia watched in **HORROR** as the eager boy <slapped> the tired woman into submission and mercilessly **rammed** his young hard penis into her violated vagina!

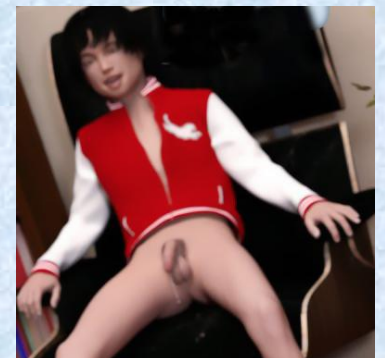

"**You fucking Whore!**" he yelled as twisted and turned to get the deepest penetration.

The little pervert even **sodomized** the voluptuous woman in her tight rectum.

Most of his **semen** found its way into her womb. The rest he sprayed all over his **bitch**.

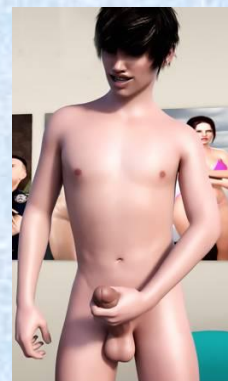

She was left squirming and twitching on the hard floor as her young **rapist** walked out of the room massaging his now-limp **penis**.

"Looks like she can go again," a man named Hector said to Ethel.

"I do believe you right at that," Ethel replied. "She's quite the **Slut**."

"Do you want to Rape your mommy, little boy?"

"Watch this closely, Baby," Jerome said to a numbed Patricia. "Because you're gonna get it more than she did. **Much more.**"

"We gonna have so much fun makin' you a **Mommy!**" Hector said enthusiastically.

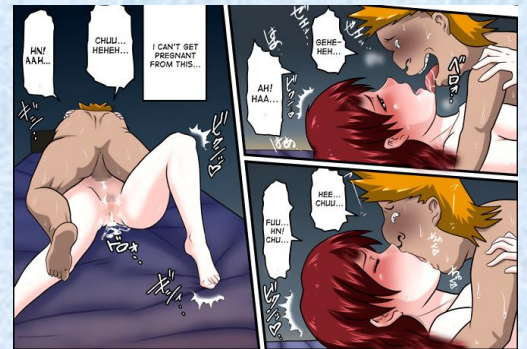

The sophisticated woman could only writhe in **HUMILIATION** as she felt a volcano of young *baby-making sperm* erupt into her fertile womb.

"Ah-h-h!" grinned Hector. "That there's some good apple pie."

"She's just another filthy **whore** that likes young dicks," snarled Ethel.

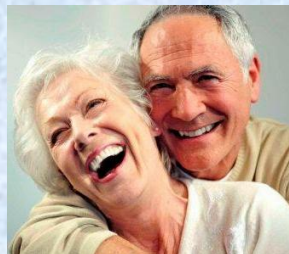

Ethel sneered (partly out of contempt and partly from jealousy).

"You goddamn dirty **Slut**. I hope they gave you a **DISEASE** as well as a **brat**."

"Does it HURT bad, Slut?"

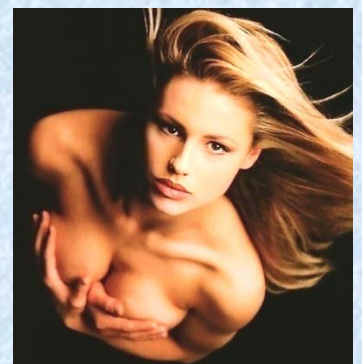

In a Parallel Universe ...

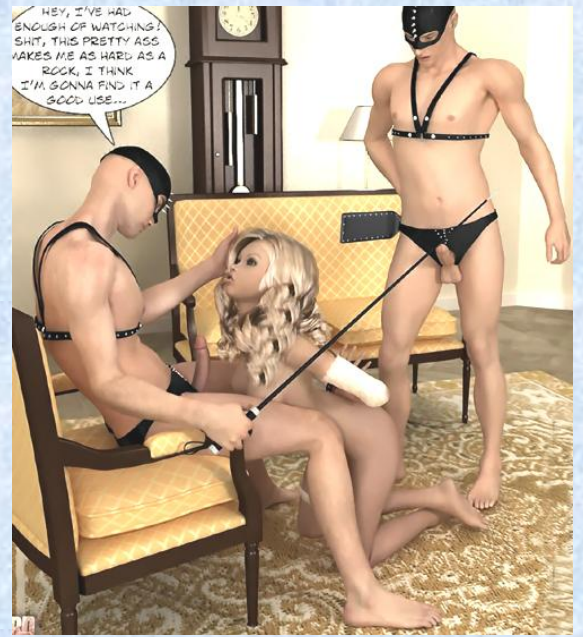

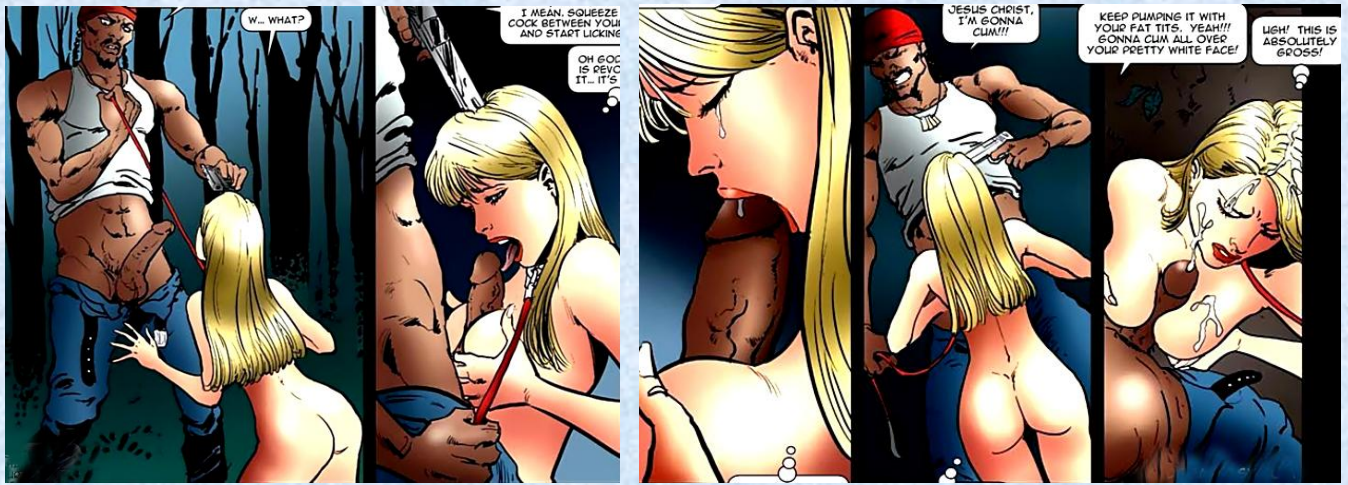

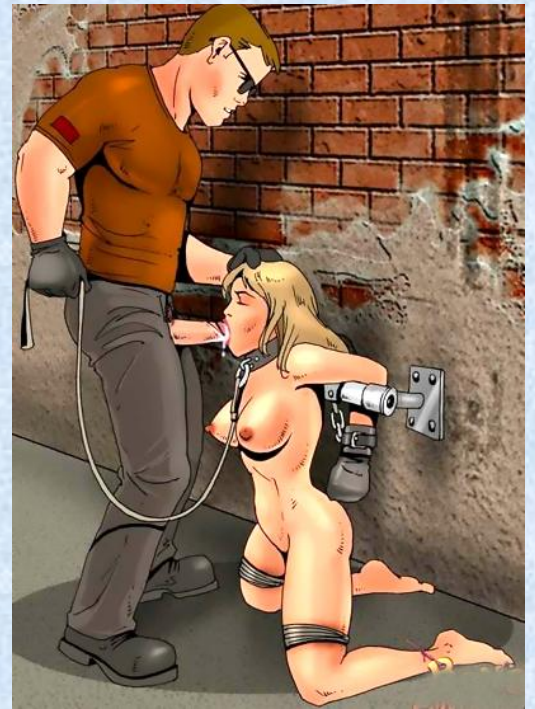

Patricia broke out of her dazed state when hairy hands grabbed her naked teenage body. The rough hands belonged to similarly naked men.

"Git on your knees, **Bitch**," a man ordered. "You got to git these **dickies** hard!"

Patricia's beautiful young face was soon dripping with nasty smelling *semen*.

Patricia was gagging and sputtering from the slimy contents flowing from her mouth.

"Now you're ready for the 'main event'," said Ethel. "So git ready, **Whore!** Lay down on the hard floor and spread those long young legs of yours."

"They're gonna make you a 'mommy', Little Girl!"

"Hey! Don't forget that I found her!" reminded Jerome. "That means **I'm first!**"

"That's only fair," said a smiling Ethel. "You will be the first to try to **knock up** this woman-child."

And then Jerome turned toward Patricia. He laughed evilly.

"And remember, Baby. **It ain't good if it's too easy.**"

"Spread Eagle, Slut!"

"Don't any of you dare touch me if you know what's good for you!" warned Patricia.

"Oh, the hell you say!" snarled Ethel. "What-the-hell are you waitin' for, Jerome? You want the **Bitch**? Now take her before I change my mind."

Patricia didn't stand a chance against the eager **muscular** black man.

He speared into her almost like a football tackle. His **12" penis** seemed to fully enter her vagina in a single savage stroke.

She screamed! The others cheered!!

"I'm gonna ... give ... you a nice Fat ... **BLACK** baby," puffed Jerome. "And he's gonna be a real wormer too! He'll never stop kickin' inside your tummy!"

"You ... bastard!" screamed Patricia between his deep thrusts.

"I'm gonna take my time **cummin'**," he promised, "so your pussy gets stretched out real good!"

"Take it out! Take it out, damn you to hell!" cried Patricia. *"It's too BIG! You're tearing me apart!"*

"Oh, just wait till your feel it in you ass, **Bitch**," Jerome teased.

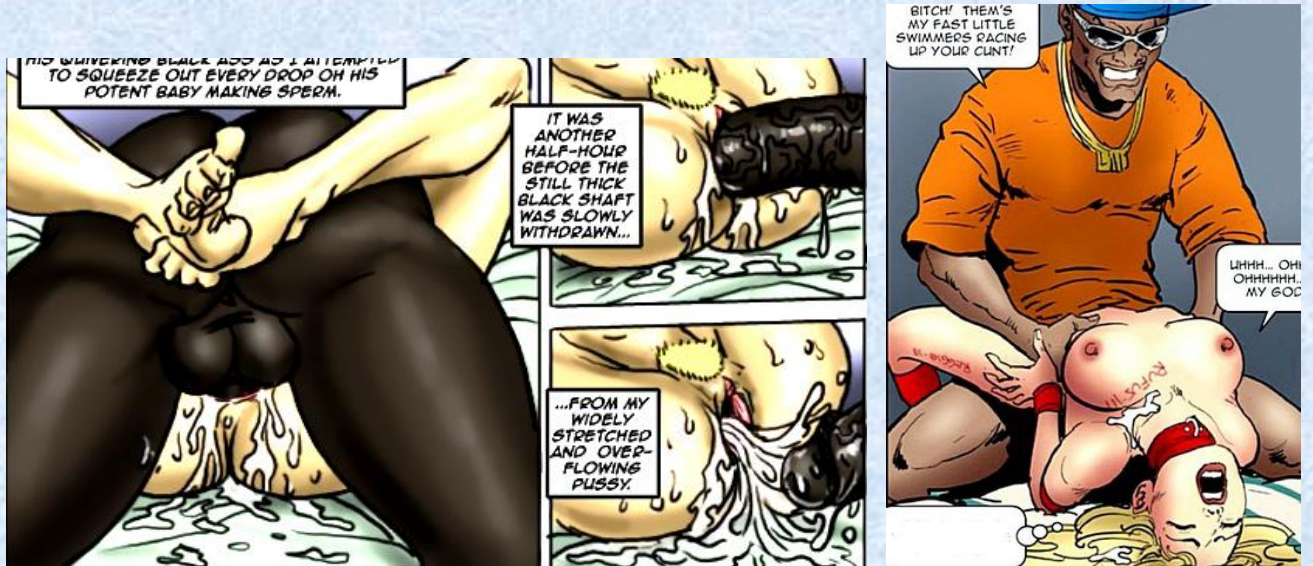

"Uh-oh," grunted Jerome. "I feel somethin'. It's **hot** and **sticky**. Damn you, **Whore!** I didn't ... want to ... **cum** ... this soon."

"Don't worry, Jerome," yelled Ethel. "There's others waitin' in line. Plus maybe it's not her 'time of the month' anyway."

"Oh no! That's right," moaned Patricia to herself as she felt the first bursts. "I just got off my period. I won't start ovulating again for days. That means they'll continue to **rape** me for days until I pass their damn **pregnancy** test ..."

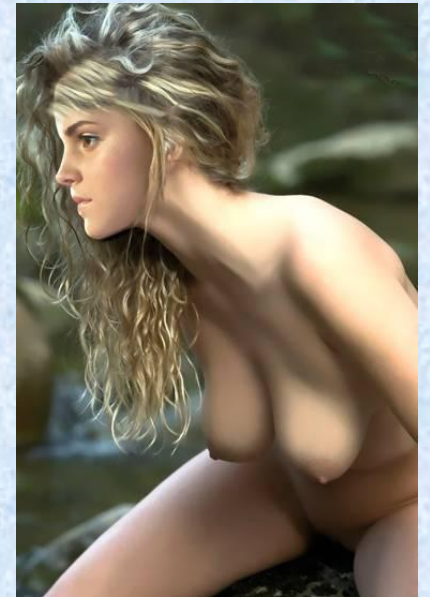

"Here it **CUMS**, you **fucking Slut!**" yelled Jerome as he emptied the **impregnating** contents of his huge black **balls**. "You're ... gonna be ... so fuckin' **FAT!**"

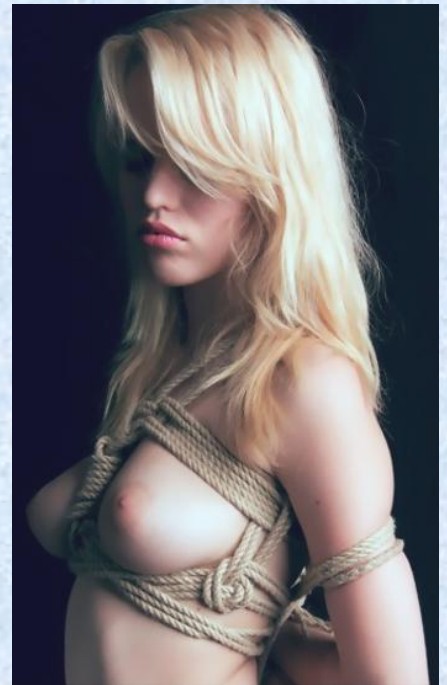

"How did that feel, Girly?" asked a woman named Gladys. "Do ya feel anything kickin' inside you yet?"

Patricia only glared **HATEFULLY** at the mocking group.

"We'll give you a **pregnancy** test in a day-or-so," said Ethel. "But even if you pass, we're still gonna **pimp** you out to make some more money for a few months."

Patricia <spat> defiantly in their direction.

"I'm too good for any man," she said proudly. "You couldn't buy me for \$1,000-a-minute."

"You stuck-up snotty teenage **Bitch!**" retorted an angry Gladys. "I doubt that you're worth **\$10-an-hour**. What do you say, Wilbur?"

A burly white man said "Only one way to find out ..." and started masturbating his **penis** as he walked menacingly toward naked Patricia.

"You ... animal ... perverts!" Patricia gritted through clenched teeth.

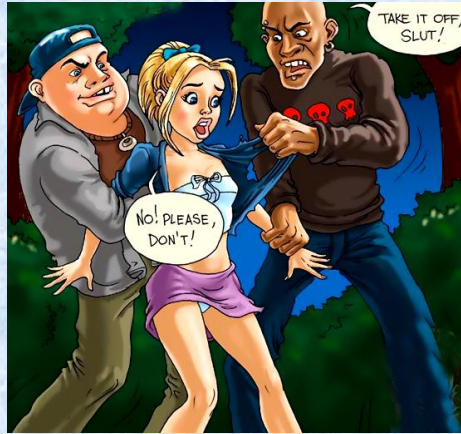

Patricia groaned with his crude pawings and probings.

Her *squeals* mixed with sounds of other teenagers getting **RAPED**. The ones who were within weeks of getting **pregnant** were having **forced** intercourse. The others who were beyond 3 months were being **anally SODOMIZED**.

The girls were *terrified!* Their skinny nude bodies *trembled* at the sight of the hairy naked men approaching them with eager stiffened erect **penises**.

"Ouch! It hurts!"

"You filthy little Slut!"

"You're killing me, Bastards!"

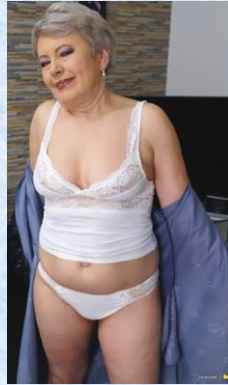

"Kiss it, **Bitch!**"

"Stretchin' out your asshole!"

"Here it **cums**, you goddamn **Whore!**"

The vile adult women and men were laughing and cheering as the teenage **bitches** were *crying* and *squealing* getting **impregnated** and **sodomized**.

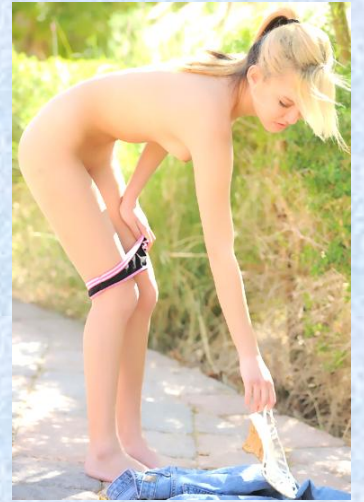

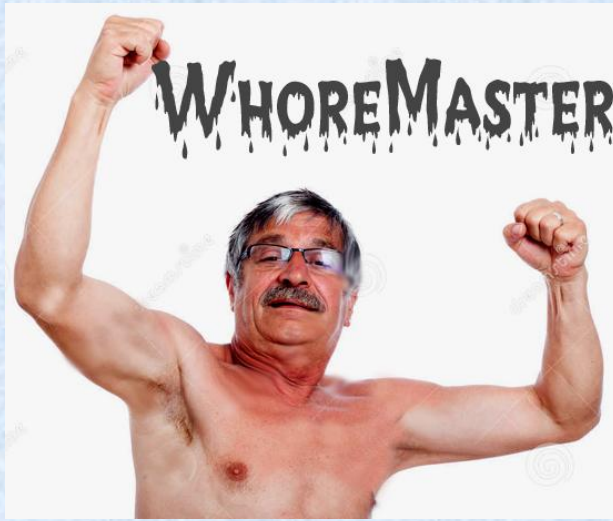

In a Parallel Universe ...

The **Bitches** were slowly recovering from their latest ordeal ...

... as Patricia's next **RAPING** was starting!

"Please! No more!" she begged. "Don't ... do it ... to me ... anymore!"

"Rip off her panties, Hector! I gotta get sum young pussy!"

Patricia gagged on the smelly large **penises** that were hardening between her **lips**.

"You're gonna be RAPED, Whore!"

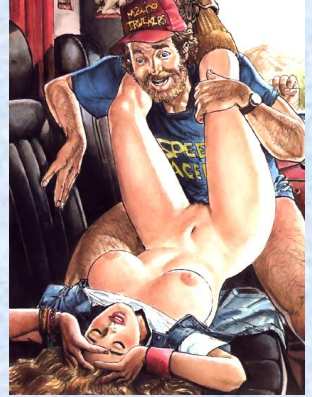

"Here comes your Daddy, little girl," grinned the burly man.

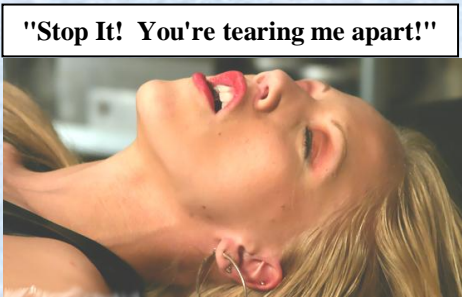

"Don't you dare!" protested Patricia. "I'm too good for you!"

"I'll have you moanin' like a **whore**-in-heat," the man spat as he inserted his oversized **cock** into Patricia's quivering tight cunt.

"No! No! No! NO! NO! NO! NO-O-O-O-O! ..." yelled Patricia as she felt his *baby-making spunk* flow deep up into her teenage womb.

"Shoot every last *drop* up into the **Slut**," coached a supervising Ethel.

The burly man grunted as he *ejaculated*: "Give me my baby.

"Ah-h-h ... She was a tight bitch," grunted the man as he rolled off her.

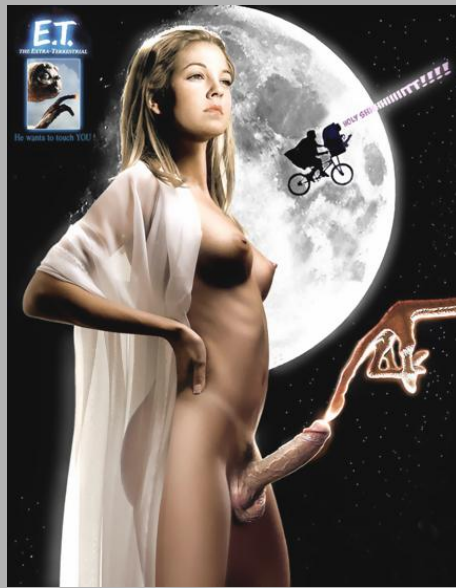

Patricia was rolling around on the hard floor as the *semen* overflowed from her pussy. She tried to wipe it out. But to no avail as *it* had already sunk deep up inside her.

Ethel taunted: "That won't do you any good. You're already on your way to being another trashy teenage *Mommy*."

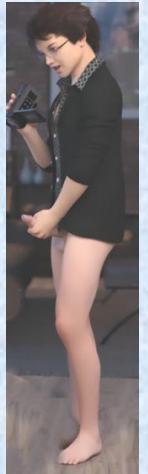

In a Parallel Universe ...

Not only were the other **bitches** getting **bred** during this time but also the **Adult women** that had been abducted. Teenage boys were trying to **impregnate** all of them.

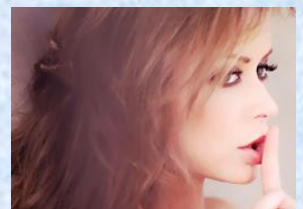

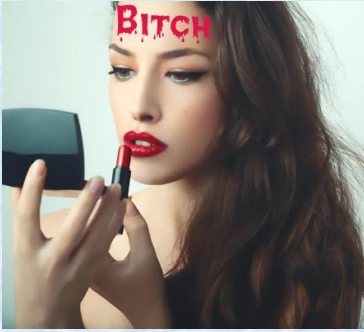

"Move it, **Whores!**" addressed Ethel to the females. "You know the drill by now. **Doll** yourselves up to excite these nasty mother-fuckers. Then hit the ground and spread your **baby-making** legs!"

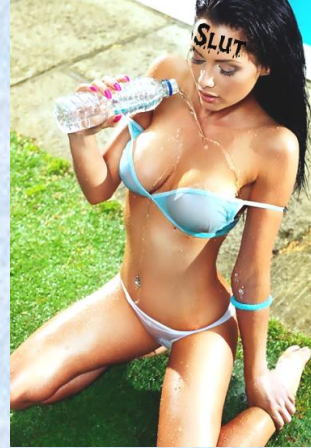

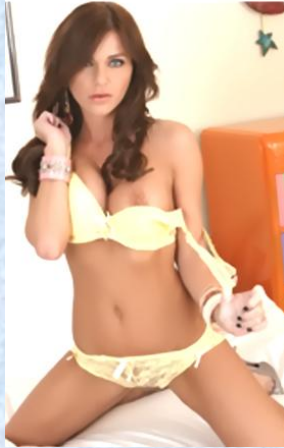

This was the beginning of a new month of juvenile **impregnation** efforts for his group of women. They wanted each **rape** to be over as quickly as possible.

They learned how to apply sluttish **lipstick** and move their bodies enticingly to urge the little bastards to get it quickly over with. They felt so **HUMILIATED** and ashamed ...

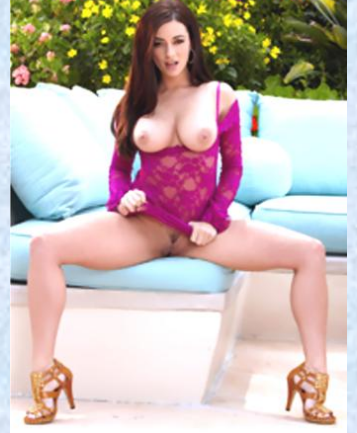

"I hate you bastards!"

"Do you want my pussy?"

"You don't know how much I hate you, you little bastards!"

"Aw, shuddup and spread your legs like good **whores.**"

A new set of sounds emerged from the obscene **MASS ORGY**. Shouts of young **ecstasy** mixed with cries of older *degradation*.

"You WILL have my **baby**, **Whore!**"

"Take that, **Bitch!**"

"*Hurry up and finish, damn you!*"

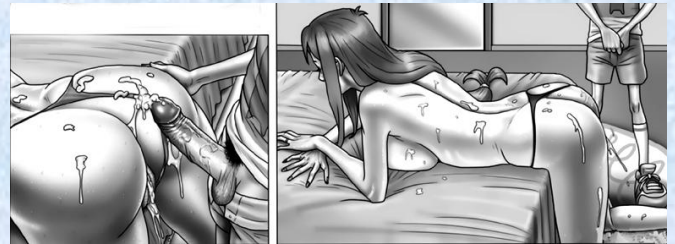

"Looky over there at the Geek," Gladys <pointed>. "I was beginning to wonder if he'd know what to do when it was his turn."

"He's hopin' to give that hussy a 'geeky' **baby**," laughed Ethel.

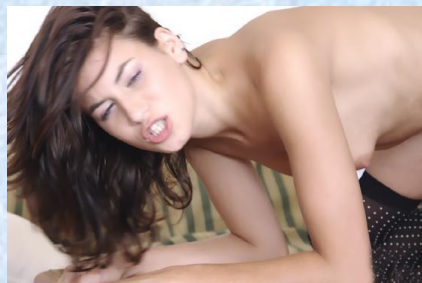

"*Oh my god!*" shuddered a beautiful woman. "*I have to spread my legs for this goofy-looking nerd! And the worst part about it is that I have to look into his spooky eyes.*"

And then there were some of the Adult women who were 3 months past being **pregnant**. Which meant that they could only be **SODOMIZED** now ...

"A few more months and these **Sluts** will be poppin' out their **brats**," observed Wilbur. "Those **fucker-boys** did a helluva good job."

"And each one will bring \$10,000 to \$30,000 profit for us!" reminded Ethel.

In a Parallel Universe ...

"Where's that white **Whore** who thinks she's too good for anyone?" asked a **black** man named Amos. "Me and the brothers want a crack at that stuck-up pussy."

"You know the rules," reminded Ethel. "All your **junk** goes up inside her. None of it wasted in her mouth or in her butt."

"We know how you make your money," replied Amos. "Don't worry. That won't be any problem."

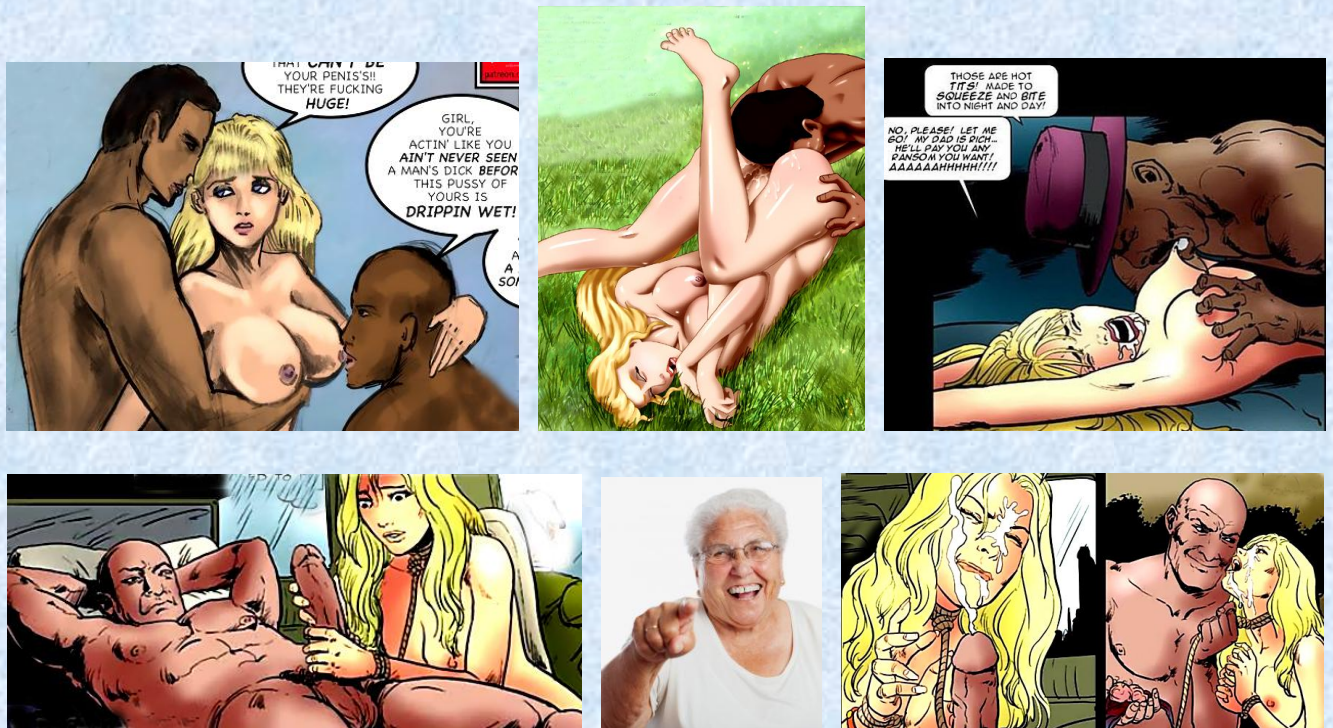

He gave an evil glance toward a naked Patricia Savage.

"No problem at all," he said rubbing his oversized black **dick**.

"I want some milk from those big tits, **baby-doll**," growled Amos.

Patricia *shrieked* and grimaced as he started sucking and biting madly on them.

"Now put your **mouth** to work and git this **dick** goon 'n hard," he added.

He didn't keep his fat penis in her mouth longer than a minute. He was too anxious!

"Hell, **Bitch**. You got me all worked up," he said masterbating his fully enlarged **cock**. "Lay down quick! Hurry up, goddammit! Lay down on the floor and spread those log leggies out wide."

"Don't!" pleaded Patricia. "No ... Not again. I'm too sore!"

"Fuck you, **Whore**!" he grunted and slammed his dick into her teenage cunt.

Patricia let out a loud *shriek!* Simultaneously, her black rapist *yelled* out as well!

"It's too *BIG!* It's too ... Damn you! Take it out! Get that thing out of me!"

"It's not a 'thing', you **bitch!** It's a cock. C-O-C-K! Say it ... say **c-o-c-k!**"

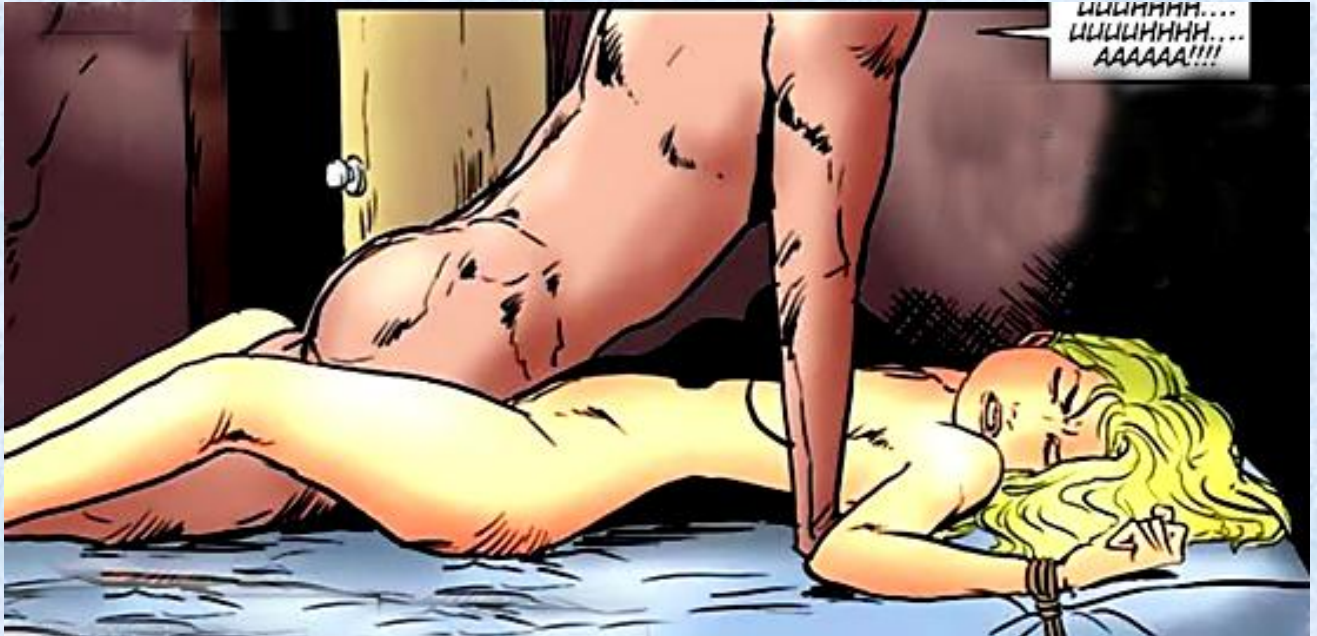

Patricia wouldn't say the dirty word. That angered him. He started ramming harder.

"Say it, goddammit! Say it or I swear I'll keep it inside you all night! Now what do you want me take out of you?"

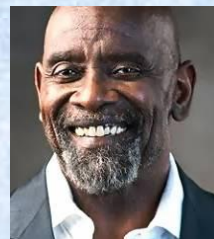

"Your ... take out ... your ...," stammered Patricia trying to get up the nerve to say it. "Please ... please take out ... you big ... **cock** ..."

Saying the word took him over the edge. Patricia cried as she felt a huge wave of hot sticky black *sperm* erupt into her womb.

The two old women delighted in the final act and laughed to each other.

"Now she's talking like a **whore** instead of just **fucking** like one," Gladys said.

Gobs of vile *semen* was *oozing* out of Patricia's teenage cunt when another black man spoke to the Gladys and Ethel.

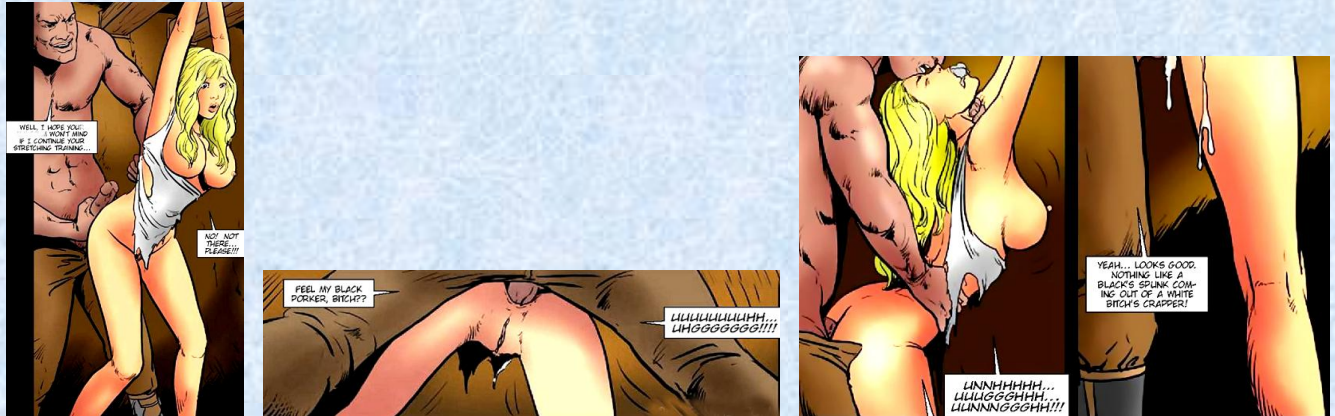

"I'z sorry, ladies. I know you wants these **bitches knocked up**. And I will do my part, I promise. But I just gotta git some of that **tight ass**."

"We understand, Lamar. And to be honest, if we were a male, we'd want to *ream* that out ourselves. So go ahead with your urges. Just be sure you give shoot most of your *jizz* up into her puss."

"Right up your dirt path!" he gritted as he erupted deep up into Patricia's bowels.

The women's permission seemed to open the Anal floodgates for others. They all wanted the beautiful white teenager's tight buttocks ...

The thrusting pain was excruciating as her rectum was brutally stretched.

"This feels so good," croaked a man. "Damn, why can't girls get *pregnant* in the ass? Answer me, Slut. Why can't you?!""

Patricia was half-unconscious when they finished. She was **so sore** all over. The men were satisfied and the old women were taking pictures.

In a Parallel Universe ...

But there was still more work to be done. Mother Nature could be unpredictable as to when the Girls and Women would be **pregnant**. Tired as they were, the handful of males (white, black, and juvenile) continued to do their *rapings* ...

The girls were *squealing* in apprehension as the men eyed their skinny bodies ...

"C'mon, **bitches!** Time for another session. Git out of them prissy clothes. We got **babies** to make. It's the only way ya ever gonna get outta here."

Clothing was quickly torn off. Some of the more feisty girls had to be bound.

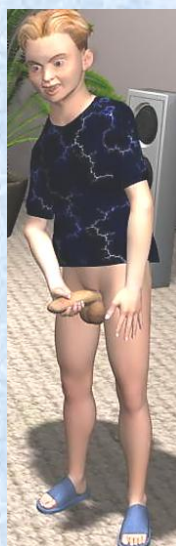

Gladys was particularly joyful at seeing the captive girls struggling to orally get the penises **hard** and **erect** to do their *impregnating* act.

And simultaneously with all of this, the Adult Women were getting **GANG-RAPED!** by eager juvenile **boys**.

Days ago, the women resisted and fought back. To no avail. Now they just wanted to get each **raping** session over as quickly as possible. So they acted like **whores** ...

"Do you want to Rape my body?"

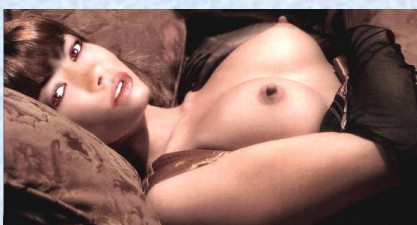

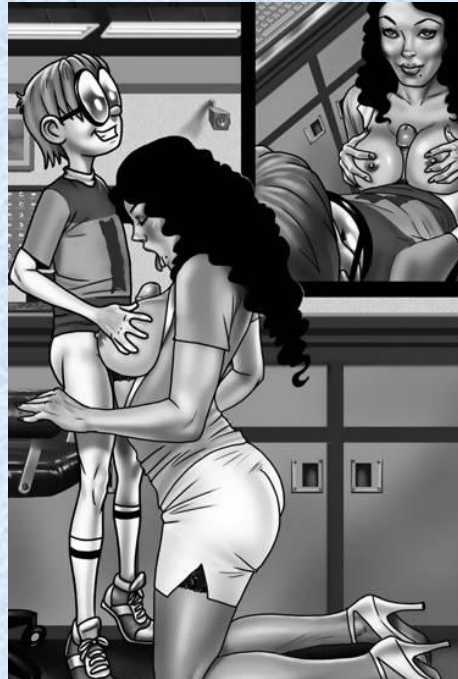

"Go ahead, you little bastard. I'll kill you someday."

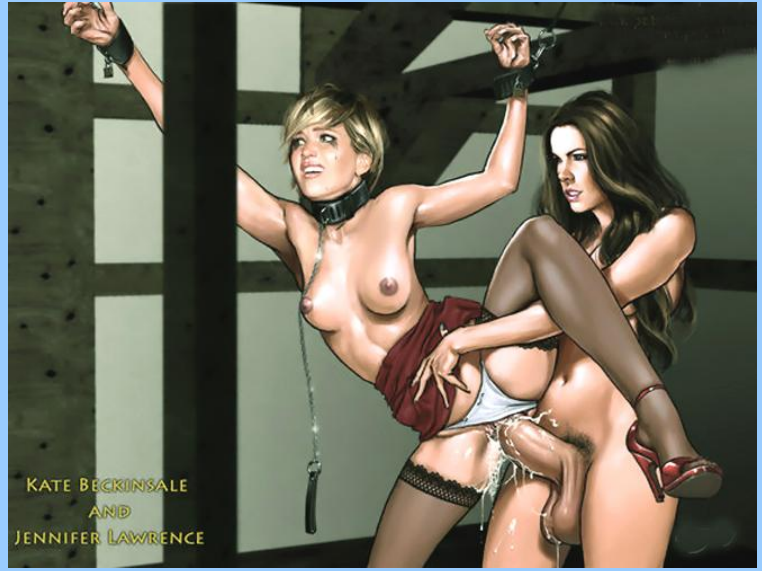

"Here. Take it out and stick it in me."

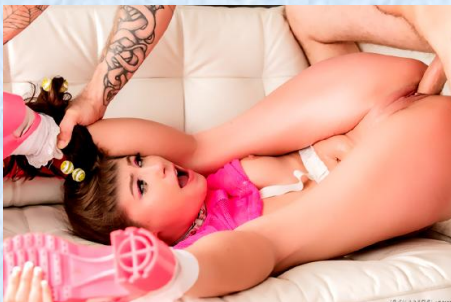

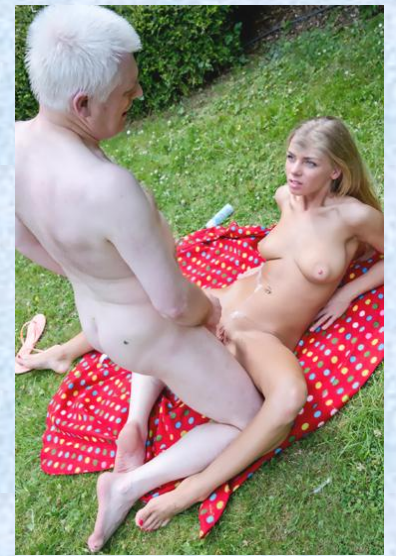

In a Parallel Universe ...

The teenage girls were given *pregnancy* tests. Those who came back negative were *raped* again. And those who came back positive (i.e., they were *knocked up!*) got anally *sodomized*. It was a no-win situation for the young *bitches*.

If at first you don't succeed, Try Try Again!
"You little *whore!* Get *pregnant,* goddammit!"

She just started ovulating and didn't know what to tell them. They took the choice away from her!

Their reward for being **knocked-up** was...

... *getting it rammed deep in their ASSes !*

"It hurts! Oh hell! It hurts real bad!"
"Shuddup! We're makin' a **whore** outta you. So you'll be used to this when we pimp you out."

And the **teenage boys** were only too willing and eager to **impregnate** and **SODOMIZE** their Adult women **whores**.

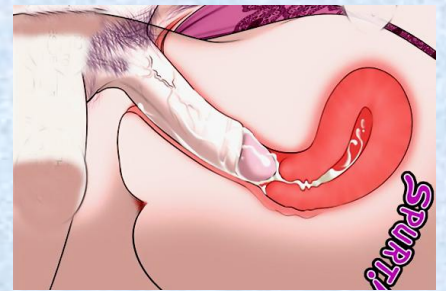

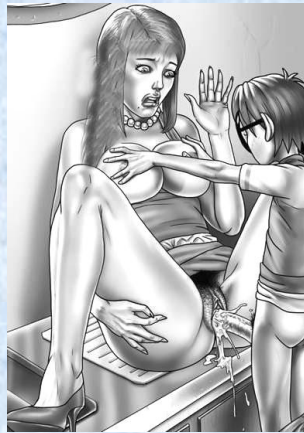

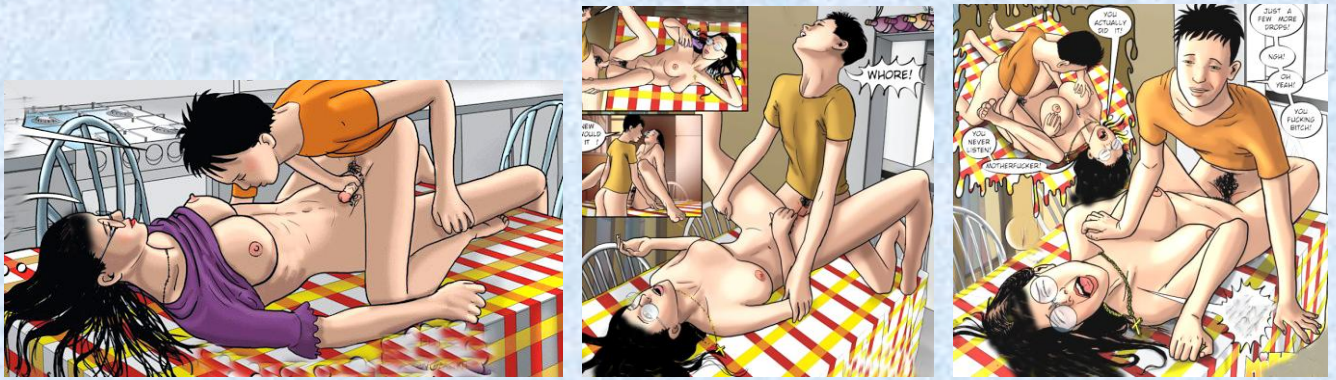

"Please ... If you going to do it, please do it in my pussy."

*"I'm stickin' it in wherever I want to, **Whore!**"*

"Oh you nasty perverted evil little brat ... Ouch! Owwww!! Damn you!"

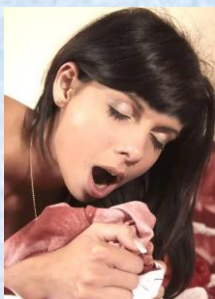

Another woman was glaring hatefully. She knew that the young bastard was going to **bugger** her **rectum**. She just knew it!

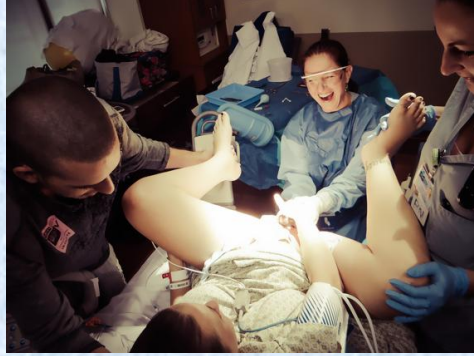

The woman *groaned* and *moaned* to the delight of the onlooking Gladys.

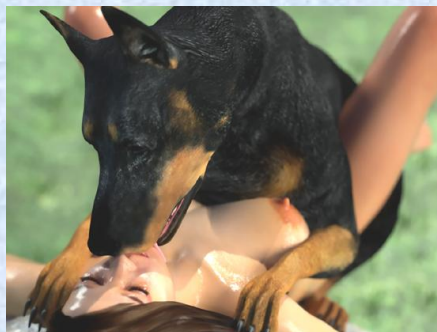

In a Parallel Universe ...

Some <barking> sounds were suddenly audible. They came from yet another adjoining room. They sounded loud and angry.

Ethel announced to the girls: "And this is what happens to any of you that don't want to become **Sluts**. This is the punishment you'll get to turn you into a true '**Bitch**'."

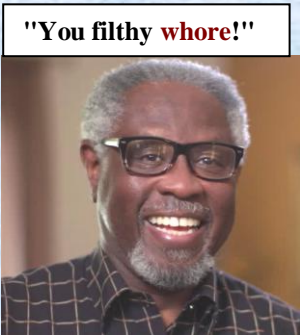

Patricia and the other girls looked in horror as huge horny dogs were breeding with beautiful Adult women!

Eager as the human boys were to *rape* the gorgeous women, they usually finished their *impregnations* in 10 minutes-or-so. They were just so excited! However, the filthy canines could took an hour-or-longer to empty all their doggie *sperm*. The base of their penis would form a large "*knot*" which would enlarge so much that exiting a *bitch's* womb was impossible until the knot went away. This left the *human-bitch* groaning and shrieking as her pussy was being torn by the *knot* trying to get out.

Of course, this prolonged **DEGRADATION** brought much enjoyment to the sadistic owners of *Babies 'R Us*.

In a Parallel Universe ...

Gladys abruptly pushed Patricia into the barking room.

"What do you looked so shocked about?" she demanded. "This is just more-or-less an obedience lesson."

"I think it is obscene and abdominal, you evil old hag!" stated Patricia.

Gladys scowled. "Perhaps you need to be taught a lesson in respect right now."

"Don't you dare! Don't even think about ..." Patricia started to say ...

*... when she found herself in the middle of a huge canine **breeding** pack!*

The dog suddenly let out a loud **YELP** followed by a *whining*. Simultaneously, Patricia uttered a *shriek* following by a low groaning. Ethel knew exactly what was happening.

"Uh-oh," she said in mock horror. "Sounds like someone just received an overload of *doggie sperm*."

Gladys laughed: "I think she may have a **bellyful** of puppies in 9 months!"

"You damn old she-witches ..." Patricia muttered under her breath as the dog began the long process of relaxing his **knot** so he could pull out of his **bitch**.

Attention diverted to the other unfortunate females in the **Canine Dungeon** who were getting an unwanted disciplinary lesson in **FORCED BREEDING**. Patricia took advantage of this to sneak out unnoticed while the sadistic owners cheered on the mangy dogs ...

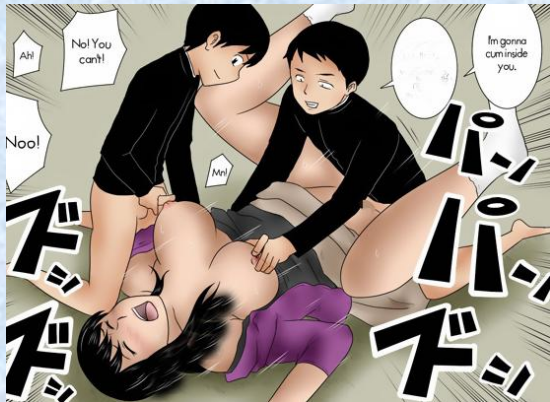

She slipped past the **VIRGIN RAPE ROOM**. There was too much groaning and crying to let her be noticed.

She hesitated at the **WOMAN-BOY BREEDING ROOM** door. When she felt confident that the boys' yells and the women's moans were loud enough, she jumped by ...

The last room in the dimly-lit corridor was where they were getting new arrivals ready for *impregnation* as well as administering pregnancy tests for the ones who had been there for days or weeks.

In a Parallel Universe ...

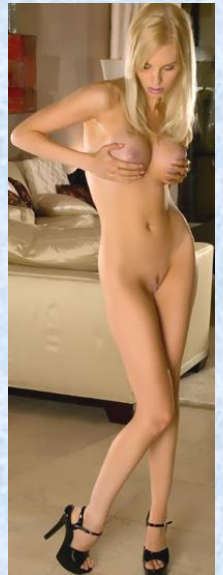

She frantically searched the many unoccupied rooms of the facility until she found one that had a small window. She quietly opened it and went out ...

Freedom! Freedom from the worst nightmare she could ever imagine!

Or was it Freedom?

She had forgotten that she was a naked white girl wearing only **5" high-heels** in a **black ghetto** neighborhood in Detroit, Michigan.

And she wasn't outside more than a minute before the cat-calls began.

"Hey! What do we have here?"

*"Looks like a white **Slut** out to do some **whorin'**."*

*"Nah! She's too young to be a hardcore **Whore**. I think she's just a stuck-up **Bitch** that needs some **Black dick** to put her in her place."*

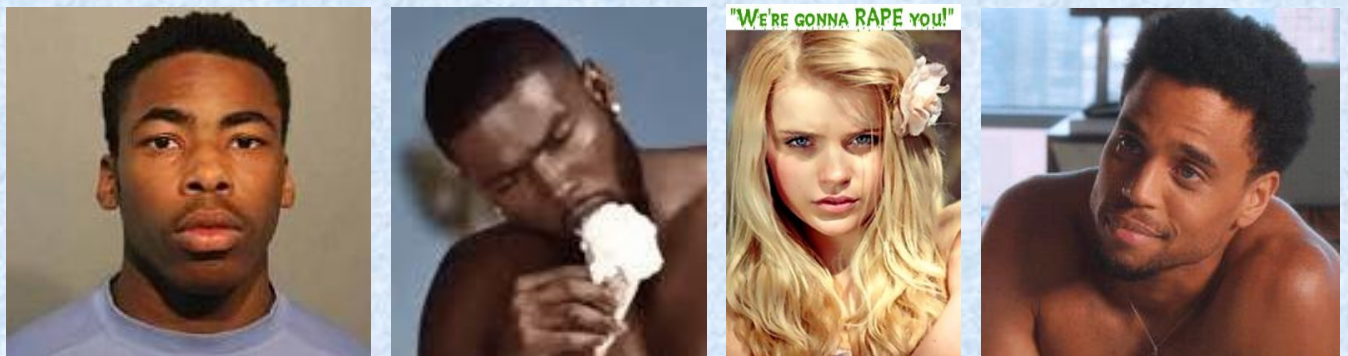

Patricia's sudden joy turned into terror when she turned around and saw menacing African-American men. All of them were old. And all of them were as **naked** as she!

"Please don't hurt me," Patricia begged. "I've just been through the most horrible experience. All I want to do is go home."

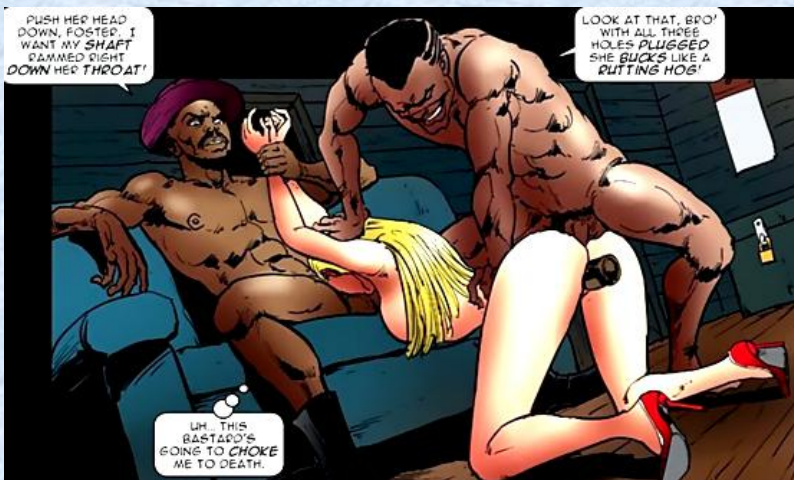

"We're not gonna hurt you, Baby. We just want a little pussy ...

... YOURS!"

Patricia was disoriented. She didn't know in which direction to run. Not that it would have mattered. Running in **high-heels** was a handicap for a white female when pursued by sex-crazed black men.

"Fuck her! Fuck her in the ass! Rape her! ... RAPE HER!!!

She couldn't help but *scream* when a 12" black dick **RAMMED** into her rectum!

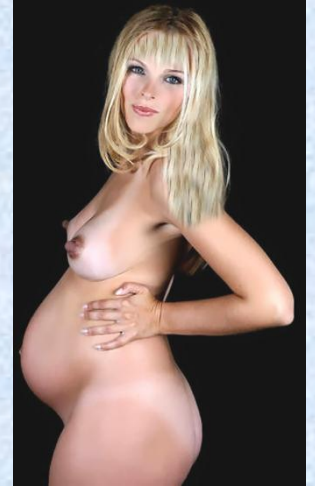

"Damn all of you to hell!" cried Patricia as yet another black **cock** entered her. "Oh but you're a feisty white **bitch**, aren't you?" laughed her rapist.

Then giant **penises** seem to materialize from everywhere at once!

Patricia was still dazed and confused even after they finally finished. Would she ever see her school tour group again???

knocked-up teenage Bitch
